SUPPLEMENT ANNEXATION, DETACHMENT, REORGANIZATION PROPOSALS

INTRODUCTION: The questions on this form are designed to obtain data about the specific annexation, detachment and/or reorganization proposal to allow the San Bernardino LAFCO, its staff and others to adequately assess the proposal. You may also include any additional information which you believe is pertinent. Use additional sheets where necessary, and/or include any relevant documents.

1. Please identify the agencies involved in the proposal by proposed action:

ANNEXED TO
City of Loma Linda
25541 Barton Road
Loma Linda, CA 92354

DETACHED FROM
County of San Bernardino
385 N Arrowhead Avenue
San Bernardino, CA 92415

2. For a city annexation, State law requires pre-zoning of the territory proposed for annexation. Provide a response to the following:

- a. Has pre-zoning been completed? YES NO
- b. If the response to "a" is NO, is the area in the process of pre-zoning? YES NO

Identify below the pre-zoning classification, title, and densities permitted. If the pre-zoning process is underway, identify the timing for completion of the process.

See attached.

3. For a city annexation, would the proposal create a totally or substantially surrounded island of unincorporated territory?
YES NO If YES, please provide a written justification for the proposed boundary configuration.

No; the inclusion of an additional 50 acres to the 30-acre area proposed for development, would ensure that an island of unincorporated territory is not created.

4. Will the territory proposed for change be subject to any new or additional special taxes, any new assessment districts, or fees?

No.

5. Will the territory be relieved of any existing special taxes, assessments, district charges or fees required by the agencies to be detached?

No.

6. If a Williamson Act Contract(s) exists within the area proposed for annexation to a City, please provide a copy of the original contract, the notice of non-renewal (if appropriate) and any protest to the contract filed with the County by the City. Please provide an outline of the City's anticipated actions with regard to this contract.

There are no Williamson Act Contracts within the 80-acre annexation area.

7. Provide a description of how the proposed change will assist the annexing agency in achieving its fair share of regional housing needs as determined by SCAG.

A 30-acre area within the 80-acre area proposed for annexation includes the development of 95 single-family residential units.

In addition, the R-3 zone proposed for 39 acres would allow for the development of up to 20 units per acre; resulting in the potential for 145 multi-family units.

8. **PLAN FOR SERVICES:**

For each item identified for a change in service provider, a narrative "Plan for Service" (required by Government Code Section 56653) must be submitted. This plan shall, at a minimum, respond to each of the following questions and be signed and certified by an official of the annexing agency or agencies.

- A. A description of the level and range of each service to be provided to the affected territory.
- B. An indication of when the service can be feasibly extended to the affected territory.
- C. An identification of any improvement or upgrading of structures, roads, water or sewer facilities, other infrastructure, or other conditions the affected agency would impose upon the affected territory.
- D. The Plan shall include a Fiscal Impact Analysis which shows the estimated cost of extending the service and a description of how the service or required improvements will be financed. The Fiscal Impact Analysis shall provide, at a minimum, a five (5)-year projection of revenues and expenditures. A narrative discussion of the sufficiency of revenues for anticipated service extensions and operations is required.

2. The Pre-Zone would establish the Single Family Residence (R-1) Zone for 39 acres, Multi Family Residence (R-3) Zone for 23 acres, Institutional (I) for 13 acres and General Business (C-2) for approximately 5 acres. The R-3 zone allows for up to 20 units per acre and a maximum lot coverage of 60 percent, the C-2 zone could be developed with a maximum lot cover of 60 percent, and a FAR of 0.5. For vacant land that would be pre-zoned Institutional (13 acres) a maximum 0.6 FAR and a maximum lot coverage of 50 percent is permitted. The pre-zoning process is currently underway. A Pre-Zoning Resolution is expected to be approved by the City Council in August or September 2016.

- E. An indication of whether the annexing territory is, or will be, proposed for inclusion within an existing or proposed improvement zone/district, redevelopment area, assessment district, or community facilities district.
- F. If retail water service is to be provided through this change, provide a description of the timely availability of water for projected needs within the area based upon factors identified in Government Code Section 65352.5 (as required by Government Code Section 56668(k)).
