SUBJECT: AGENDA ITEM #7 – LAFCO 2922 – Service Review and Sphere of Influence Update for the West Valley Water District (formerly known as West San Bernardino County Water District)

RECOMMENDATION:

Staff recommends that this item be continued to the June 16, 2004 hearing.

BACKGROUND INFORMATION:

Staff originally anticipated the ability to complete the review and prepare the documents necessary to present the West Valley Water District Service Review/Sphere of Influence Update at the April hearing. However, additional time is required to complete that review due to the need to modify the sphere of influence boundaries slightly and prepare the necessary information addressing that modification. Staff is recommending that this matter be continued to the June 16, 2004 hearing.

The West Valley Water District Assistant General Manager, Mr. Leon Long, has participated in discussions regarding the need for modification of the sphere and has been advised of the recommendation for continuance. The District has submitted a letter indicating its acceptance of this continuance.
