FROM: KATHLEEN ROLLINGS-McDONALD, Executive Officer
TO: LOCAL AGENCY FORMATION COMMISSION

SUBJECT: AGENDA ITEM #6(A), (B) and (C) – Adoption of Resolutions for Service Reviews and Sphere Updates/Establishment for Resource Conservation Districts (See Full Titles Below)

FULL TITLES:

- #6(A) Adoption of Resolution No. 2802 for LAFCO 2901 Service Review and Sphere of Influence Reduction for the Inland Empire West Resource Conservation District;
- #6(B) Adoption of Resolution No. 2803 for LAFCO 2917 Service Review and Sphere of Influence Expansion for the East Valley Resource Conservation District; and,
- #6(C) Adoption of Resolution No. 2804 for LAFCO 2918 Service Review and Sphere of Influence Establishment for the Riverside Corona Resource Conservation District

RECOMMENDATION:

Adopt LAFCO Resolutions as identified above, setting forth the Commission's determinations and findings for the service reviews and sphere of influence updates/establishment for the Resource Conservation Districts within the Valley portion of San Bernardino County.

BACKGROUND:

At the January 21, 2004 hearing, the Commission considered the service reviews and sphere updates/establishment for the Resource Conservation Districts within the Valley portion of the County, specifically the Inland Empire West Resource Conservation District (RCD), East Valley RCD, and Riverside-

Corona RCD. At that hearing, the Commission adopted staff's recommendations related to the service reviews and sphere of influence changes including the deferral of the resolution adoption for each action until the February hearing. The deferral was requested to allow staff and Legal Counsel time to finalize the draft resolutions following Commission determinations on the spheres.

At the February hearing, the Commission's role will be to review these draft resolutions, determine whether the statements included within them accurately reflect the actions of the Commission at the January hearing, make any changes deemed appropriate, and adopt the resolutions. Staff has reviewed these resolutions with Legal Counsel and is recommending their adoption. LAFCO staff will be happy to respond to any questions prior to or at the hearing.
