TO: LOCAL AGENCY FORMATION COMMISSION

SUBJECT: Agenda Item #5: LAFCO #2892--Service Review and Sphere of Influence Update for the Chino Valley Water Conservation District

INITIATED BY:

San Bernardino Local Agency Formation Commission

RECOMMENDATION:

Continue this review to the September 18, 2002 hearing to allow for additional staff review of this proposal.

BACKGROUND INFORMATION:

The Chino Valley Water Conservation District has submitted information in response to Government Code Section 56430 (service review factors) and has indicated that it does not propose any sphere of influence changes pursuant to Government Code Section 56425. Staff, however, has additional areas of review to discuss with the district, and needs to re-format the district's information in ways that are more responsive to the issues required for review by the above-noted sections of the Government Code.

Accordingly, staff recommends continuation of this matter to the September 18th hearing.
