TO: LOCAL AGENCY FORMATION COMMISSION

SUBJECT: Agenda Item #4: Consideration of Exemption for LAFCO SC# 255 – Out-of-Agency Service Contract for Provision of Water Service by County Service Area 70 Improvement Zone J to Territory within the City of Hesperia

RECOMMENDATION:

Continue to the October 19, 2005 hearing.

BACKGROUND:

In April 2005, the City of Hesperia requested LAFCO consider an exemption from the provisions of Government Code Section 56133 for areas to be served by County Service Area 70 Improvement Zone J (hereinafter CSA 70 Zone J) within the boundaries of the Hesperia Water District. The areas of consideration are those recently annexed through LAFCO 2952 and LAFCO 2953 and shown on the maps included as Attachment #1. As outlined in the City's letter, included as Attachment #2, this is considered to be an interim step while facilities are installed per the agreements related to annexation applications. Staff forwarded this request to the County Special Districts Department as administrators for CSA 70 Zone J since it is the Agency required to request the exemption for the extension of service outside CSA 70 boundaries.

Staff is recommending continuance to the October hearing to allow for the submission of additional information from the County Special Districts Department regarding the terms and conditions by which water service within the areas recently annexed by the City of Hesperia and the Hesperia Water District will be provided.
