

County Service Area 70 Zone DB-1 (Bloomington)

Report Created:11/3/2016

County Service Area 70 Zone DB-1 is governed by the County Board of Supervisors. The zone has no direct employees, it operates with personnel and supplies provided by County Service Area 70. On January 23, 2004, property owners approved an annual service charge of \$546 per parcel with a 2.5% annual inflationary increase, \$633.20 for FY 2014-15 and currently \$633.20. The zone is responsible for the maintenance of two detention basins and four landscaped intersections in the Bloomington area. The zone does not receive general levy property tax revenue, therefore assessed value data is not compiled by the County. The audits identify the receipt of property taxes even though the zone receives a service charge.

Property Tax Revenue

Description

This indicator will have more importance for those agencies heavily reliant upon property tax revenues. As this revenue source is relatively stable and lags about two years behind changes in market conditions, this indicator can potentially depict the level of stability of an agency's revenue base.

Service Obligation (governmental)

Description

Measures whether or not a government's annual revenues were sufficient to pay for annual operations. A ratio of one or higher indicates that a government lived within its annual revenues.
