

County Service Area 70 Zone R-16 (Running Springs)

Report Created:2/5/2020

County Service Area 70 Zone R-16 is governed by the County Board of Supervisors. The zone has no direct employees, it operates with personnel and supplies provided by County Service Area 70. The zone receives a \$600 per parcel, per year special tax on 25 parcels to fund road maintenance and snow removal services to one mile of paved roads in Running Springs. The zone does not receive general levy property tax revenue, therefore assessed value data is not compiled by the County. The audits identify the receipt of general levy property taxes even though the zone receives a special tax.

Property Tax Revenue

Description

This indicator will have more importance for those agencies heavily reliant upon property tax revenues. As this revenue source is relatively stable and lags about two years behind changes in market conditions, this indicator can potentially depict the level of stability of an agency's revenue base.

Agency Response

The level of services provided to Road Districts is dictated by the available revenue. Capital improvement and maintenance projects are funded over multiple fiscal years. In years where capital and maintenance expenditures are incurred, fund balance is used to fund the projects.
