

San Bernardino County Fire Protection District - Service Zone FP-4 (Wonder Valley)

When the County Fire Protection Board of Directors approved the FP-5 Service Zone expansion on October 16, 2018, all PM and FP assessments being assessed were eliminated and replaced with the FP-5 assessment. The first billing was in November 2019.

The San Bernardino County Fire Protection District reorganized in July 2008 and created the South Desert Regional Service Zone. The South Desert Regional Service Zone is a component unit of the San Bernardino County Fire Protection District, in which the County Board of Supervisors is the board of directors of the district. Within the South Desert Regional Service Zone, Service Zone FP-4 Wonder Valley special tax was originally authorized by the Board of Supervisors in August 1972 (originally under CSA 70 M Zone FP-4). Service Zone FP-4 provided fire protection services to the community of Wonder Valley. These services were funded by a special tax as approved by the voters in June 2005. Additional information can be accessed via the link below.
