

San Bernardino LAFCO Fiscal Indicators

Yermo Community Services District

Report Created:1/22/2018

The Yermo Community Services District is authorized by LAFCO to provide the following functions: streetlighting, fire protection, park and recreation, and water (not active – currently Daggett CSD and the private Liberty Utilities provide retail water to portions of the district). The district has no reportable debt. The agency does not provide pension or other post-employment benefits (OPEB). The district's service area includes 117 square miles. Additional information on the District can be accessed via the link below. As of November 7, 2017, the district has not provided LAFCO or the County auditor a copy of its 2016 audit.

Property Tax Revenue

Description

This indicator will have more importance for those agencies heavily reliant upon property tax revenues. As this revenue source is relatively stable and lags about two years behind changes in market conditions, this indicator can potentially depict the level of stability of an agency's revenue base.
