TO: LOCAL AGENCY FORMATION COMMISSION

SUBJECT: Agenda Item #5 – Note Receipt of Proposal Initiated by the City of Yucaipa – LAFCO 3154 - Reorganization to Include Annexations to the City of Yucaipa, the Yucaipa Valley Water District and the San Bernardino Valley Municipal Water District, and Detachments from the San Bernardino County Fire Protection District, its Valley Service Zone and Service Zone PM-3 (Yucaipa Paramedic), County Service Area 63, and County Service Area 70 (Annexation No. 5)

State law requires that any proposal involving annexation to a special district that has not been initiated by resolution of the district shall be placed on the next available Commission agenda as an informational item (Government Code Section 56857(a)). The City of Yucaipa has initiated a reorganization proposal which includes the annexation of approximately 345 +/- acres to the Yucaipa Valley Water District (YVWD) and the San Bernardino Valley Municipal Water District (Valley District). The purpose of the annexation is to provide for a more logical service boundary. A map of the area is included as an attachment to this report.

Notification under Government Code Section 56857(a) also sets in motion a 60-day time period in which YVWD and the Valley District may submit a resolution of opposition to the reorganization proposal. This 60-day time period began on December 22nd, through notification to YVWD and the Valley District that the application had been received, and will expire on February 22nd.

No action is required of the Commission other than to note receipt of the proposal.
