**MUTUAL WATER COMPANIES IN SAN BERNARDINO COUNTY CURRENTLY  
NOT SUBJECT TO THE SERVICE AREA MAP REQUIREMENT OF AB 54**

	<b>Mutual Water Company</b>	<b>Comments</b>
1.	Del Rosa MWC (Arrowhead Springs Project)	Map available; however, AB 54 currently does not apply because it is not considered a “public water system” (less than 15 service connections)
2.	Fenner Valley MWC (Cadiz Area)	Responded that AB 54 currently does not apply because it is not fully operational as a MWC and will need to file with the Department of Corporations.
3.	Fontana Union Water Company	Responded that AB 54 does not apply because it is not considered a “public water system” (provides wholesale water only)
4.	Stoddard Valley MWC	Map available from other sources; however, AB 54 currently does not apply because it is not considered a “public water system” (less than 15 service connections)
5.	Tres Lagos MWC	Map provided; however, AB 54 currently does not apply because it is not considered a “public water system” (less than 15 service connections)
6.	West Twin Creek Water Company (Arrowhead Springs Project)	Map available; however, AB 54 currently does not apply because it is not considered a “public water system” (provides irrigation water only)
