SUBJECT: Agenda Item #5 – Note Receipt of Proposal Initiated by the City of Barstow – LAFCO 3085 – Reorganization to Include Annexations to the City of Barstow, Odessa Water District and Barstow Fire Protection District (No. 07-01 – Jasper Road)

State law requires that any proposal involving annexation to a special district that has not been initiated by resolution of the district shall be placed on the next available Commission agenda as an informational item (Government Code Section 56857(a)). The City of Barstow has initiated an annexation proposal which includes the annexation of approximately 148 +/- acres to the Barstow Fire Protection District (BFPD). The purpose of the annexation is to receive municipal levels of service within the area proposed for annexation. A map of the area is included as an attachment to this report.

Government Code Section 56857(a) also sets in motion a 60-day time period in which the BFPD may submit a resolution of opposition to the annexation proposal. This 60-day time period began on July 9th, through notification to the BFPD that the application had been received, and will expire on September 7th.

No action is required of the Commission other than to note receipt of the proposal.
