**SUBJECT: Agenda Item 11: LAFCO 3033 – Service Review and Sphere of Influence Update for Mojave Water Agency**

---

**RECOMMENDATION:**

Staff recommends that the Commission continue LAFCO 3033 to the July 16, 2008 hearing.

**BACKGROUND:**

As a part of the analysis of the municipal service review and sphere of influence update, LAFCO staff reviewed with Mojave Water Agency (MWA) staff questions related to MWA's:

- Current sphere of influence which includes the community of Wrightwood and other territory.
- Sphere in the Morongo Basin area where approximately 11.3 square miles of MWA's boundary, sphere, and Improvement District M extends into the Morongo Valley Community Services District's territory and sphere.
- Current authorized services and functions as listed in Exhibit A of LAFCO's Policies and Procedures Affecting Special Districts.

After publication of the Notice of Hearing, staff received correspondence from MWA identifying that additional direction is needed from the MWA Board of Directors regarding these items. MWA has requested that LAFCO staff present these issues to the Legal/Legislative and Public Information Committee on May 15, and it is anticipated that the item will be forwarded to the MWA Board for consideration at a later date.

In order to receive and for LAFCO staff to evaluate the supplemental information from the MWA Board, staff recommends a continuance to the July 16, 2008 hearing.
