FROM: KATHLEEN ROLLINGS-McDONALD, Executive Officer

TO: LOCAL AGENCY FORMATION COMMISSION

SUBJECT: AGENDA ITEMS 12, 13 and 14 – DISSOLUTION OF CITY OF VICTORVILLE SUBSIDIARY DISTRICTS (FIRE, RECREATION AND PARK, AND SANITARY DISTRICTS)

RECOMMENDATION:

Continue the City of Victorville dissolution proposals identified as LAFCO 3071 (Fire District), 3072 (Park District) and 3073 (Sanitary District) to the June 18, 2008 hearing.

BACKGROUND:

LAFCO staff has been working with the staff of the City of Victorville for more than two years in processing the three dissolution proposals identified above. The City of Victorville position has always been that the three proposals be heard together. LAFCO staff placed the items on the May agenda following receipt of supplemental data from the City. However, upon review of that data, two items remain to be resolved which preclude discussion. They are:

- For LAFCO 3072 (Park District), LAFCO and City staff need to resolve questions regarding the transfer of obligations for Certificates of Participation issued for construction of a community center.
- For LAFCO 3073 (Sanitary District), resolution of questions regarding an outstanding loan to the City from the Sanitary District needs to be resolved.

No unresolved issues regarding the dissolution of the Fire Protection District have been encountered; however, as noted above City staff wishes all three applications to be considered at the same hearing. LAFCO and City staff have been working to resolve these questions, but were unable to do so in time to provide staff reports for this hearing.

Therefore, with the consent of the City of Victorville (copy attached), staff is recommending that these three items be continued to the June 18, 2008 hearing.
