On motion of Commissioner Williams, duly seconded by Commissioner Pearson, and carried, the Local Agency Formation Commission adopts the following resolution:

WHEREAS, a service review mandated by Government Code Section 56430 and a sphere of influence update mandated by Government Code Section 56425 have been conducted by the Local Agency Formation Commission of the County of San Bernardino (hereinafter referred to as "the Commission") in accordance with the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 (Government Code Sections 56000 et seq.); and,

The Clerk is directed to file a Notice of Exemption within five working days of adoption of this resolution; and,

RESOLUTION NO. 2744

WHEREAS, based on presently existing evidence, facts, and circumstances filed with the Local Agency Formation Commission and considered by this Commission, it is determined that the sphere of influence for the City of Ontario (City) should be affirmed as it currently exists, as more specifically described in maps and legal descriptions on file in the LAFCO staff office; and,

WHEREAS, the following findings are made in conformance with Government Code Section 56430 and local Commission policy:

1. **Infrastructure Needs and Deficiencies.** A comprehensive capital improvement plan has been adopted by the City setting forth recommendations for a variety of projects. This plan is annually reviewed and updated as part of the City's budget process. A copy of this plan is maintained in the City offices.
2. **Growth and Population.** The City provides the full range of urban services to an estimated population of 162,332, with a projected build-out population of 265,000.
3. **Financing Opportunities and Constraints.** The City receives a share of the general levy of property tax revenue, but the bulk of its revenue is derived from fees for service, sales and use revenue, and other revenues. No relevant issues concerning financing opportunities and constraints were identified by the City of Ontario.
4. **Cost Avoidance Opportunities.** The City of Ontario did not identify any specific cost avoidance opportunities relevant to this review.
5. **Rate Restructuring.** The City of Ontario regularly evaluates its cost of services in order to stay in conformance with state requirements and the competitive market place. No relevant issues related to this factor were identified by the City of Ontario.
6. **Opportunities for Shared Facilities.** The City of Ontario indicates that it regularly works with school districts and other agencies to provide shared parks and play areas, libraries, community meeting rooms, and so forth. The City also notes that it provides retail water service adjacent to its northwestern boundaries. No other relevant findings related to this factor were identified by the City.
7. **Government Structure Options.** The City has already annexed its entire sphere of influence and there are no known governmental structure options in the area.
8. **Management Efficiencies.** No relevant issues related to this factor were identified by the City of Ontario.
9. **Local Accountability and Governance.** The City is governed by a five-member Council elected at large. The City maintains a web site, and conforms with provisions of the Brown Act requiring open meetings. No other relevant issues concerning this factor have been identified.

WHEREAS, the following findings are made in conformance with Government Code Section 56425 and local Commission policy:

RESOLUTION NO. 2744

1. **PRESENT AND PLANNED LAND USES**

The full range of urban, suburban, and rural land uses are included within the boundaries and current sphere of influence of the City of Ontario. This sphere of influence update and service review have no potential whatsoever to change present or planned land uses within the City sphere, since no changes to the sphere of influence are contemplated.

2. **PRESENT AND PROBABLE NEED FOR PUBLIC FACILITIES AND SERVICES IN THE AREA**

No changes to the City sphere of influence are proposed or contemplated through this review. The City has adopted a master plan for service which addresses this issue, and is on file in the City offices.

3. **PRESENT CAPACITY OF PUBLIC FACILITIES AND ADEQUACY OF PUBLIC SERVICES PROVIDED**

No changes to the City sphere of influence are proposed or contemplated through this review. The City has adopted a master plan for service which addresses this issue, and is on file in the City offices.

4. **COMMUNITIES OF INTEREST IN THE AREA**

No changes to the City sphere of influence are proposed or contemplated through this review. The Commission therefore determines that this factor of determination is not relevant to this review, as permitted by Government Code Section 56425.

5. **OTHER FINDINGS**

- A. Notice of this hearing has been published as required by law in The Sun and the Inland Valley Daily Bulletin, newspapers of general circulation in the area. As required by state law, individual notification was provided to affected and interested local agencies, County departments, and those individuals wishing mailed notice.
- B. Comments from landowners and any affected local agency have been reviewed and considered by the Commission in making its determination.

WHEREAS, having reviewed and considered the findings as outlined above, the Commission affirms and upholds the sphere of influence for the City of Ontario as it currently exists, and is depicted on maps and legal descriptions on file in the office of the San Bernardino Local Agency Formation Commission.

NOW, THEREFORE, BE IT RESOLVED by the Local Agency Formation Commission of the County of San Bernardino, State of California, that this Commission shall consider the territory, described on maps and legal descriptions on file in the LAFCO office, as being within the sphere of influence of the City of Ontario, it being fully understood that establishment of such a sphere of influence is a policy declaration of this Commission based on existing facts and circumstances which, although not readily changed, may be subject to review and change in the event a future significant change of circumstances so warrants.
