

Here's how you can contact us using Skype:

Note: If you are using a laptop or desktop computer make sure that you have a headset or webcam so we can hear you! Skype services will be available by appointment only.

Step 1: Download Skype.

Step 2: Create an account.

Step 3: After you have created an account make sure that you are logged into Skype and that the main window is open.

Step 4: Search for one of the Land Use Service Department's contacts based on which office you are trying to reach. The contacts for each office are listed below:

San Bernardino Government Center: Sblusd03

1. Type the contact name in the search bar
2. Click on the search skype button
3. Select the Land Use Services contact

Step 5: Once our profile appears, click the call button (of the telephone call button if you prefer).

Step 6: Wait to be connected. Once connected you will be able to talk to us!

*If you have any questions, please contact Brandon Cummings at (909) 387-4738.
