Supervisor Joe Baca, Jr. joined forces with Never Stop Grinding Impact to bring a free dental services to the community!

Rialto, CA. - San Bernardino County Fifth District Supervisor Joe Baca, Jr., joined Never Stop Grinding Impact, Healing California, the Rialto Police Department, the San Bernardino County Department of Human Services, and the San Bernardino County Department of Public Health on June 12th at the Rialto Community Center to bring free dental services to the community. The free services that were provided included x-rays, assessments, dental fillings, dental cleanings, and extractions. 53 patients were serviced during the event totaling \$28,000 worth of dental services.

“I am so proud of the work that went into coordinating this event. Some of those who received services during the event had not been to a dentist in years. Some were experiencing excruciating pain or discomfort and were simply dealing with it because of lack of insurance. It is clearly evident that the community is in need of these services. This event could not have been possible without the amazing organizations and the County Departments who worked together to make it a great success.” – Supervisor Baca, Jr.
