Drivers on major [San Bernardino County](#) freeways may notice new billboards telling them to stay home to combat the spread of the [novel coronavirus](#).

The billboards are part of the county’s “Stay Home, Stay Safe” campaign to remind residents that staying home will help slow the virus, Supervisor Curt Hagman said in a statement.

“Staying home as much as possible while only participating in essential activities, such as critical work functions, or shopping for necessities, has been our number one offense in fighting COVID-19,” Hagman said. “Our community is safer when we all do our part to take additional precautions and follow the latest health safety guidelines.”

The billboard advertisement includes the county’s website, sbcovid19.com and the slogan, “We’ll get through this together!”

The billboard placements, donated by General Outdoor Advertising, are in Rancho Cucamonga on the 15 Freeway, between 4th Street and Foothill Boulevard; in Fontana on the 10 Freeway, between Etiwanda and Cherry avenues; and in San Bernardino on the 215 Freeway, south of the 2nd/5th Street exit.

Residents can also call the county’s COVID-19 hotline, 909-387-3911, from 9 a.m. to 5 p.m., Monday through Friday or email coronavirus@dph.sbcounty.gov.
