County Committee Looks To Fill Vacancies For 2 Supervisorial Districts

SAN BERNARDINO – The San Bernardino County Committee on School District Organization is seeking applicants to fill two vacant seats for appointment to unexpired terms, one in the Second Supervisorial District and the other in the Fourth Supervisorial District.

Applicants, who must be registered voters in their respective supervisorial district, should apply to the San Bernardino County Superintendent of Schools to be considered for appointment. County Committee members cannot be employed by a school district in any county, community college district or county superintendent office. School board members are eligible to apply.

The deadline to apply is by 4 p.m. on April 17.

The 11-member committee deals with school district organization issues, including number of trustees, trustee and school district boundary areas, and unification.

The Second Supervisorial District includes the cities of Upland (north of Foothill Boulevard), Rancho Cucamonga and most of Fontana, as well as unincorporated communities of Devore, Lytle Creek, San Antonio Heights and Mt. Baldy. It also includes Rim of the World mountain communities from Cedarpines Park to Green Valley Lake.

The Fourth Supervisorial District includes the cities of Chino, Chino Hills, Montclair and Upland (south of Foothill Boulevard).

The County Committee or county superintendent will make the appointment, not the County Board of Supervisors.

The interest forms for applying for the committee positions can be downloaded from the County Committee website: <http://www.sbcss.k12.ca.us/index.php/business-services/business-advisory-services/county-committee>.

For more information about the committee or application, contact Angel Arrington at 909.386.9615 or via email at angel.arrington@sbcss.net .
