Environmental Group	Center for Biological Diversity	-	to contact per Stephanie Dashiell in April 30, 2014 email	Yes	Unk	pending			Unk	throughout US	Unk	pending			species locations and conserved lands info may already be available in other federal data sources; website reports Big Bear Lake mitigation area for plants from development. May get this in info from City.	
Resource Conservation District	Mojave Desert Resource Conservation District	-	-	Yes	Unk	pending			Unk	most of SB County	Unk	pending			need to request data ; per Mike Howard we do not have data (email 6/16)	
Environmental Group	National Audubon Society	-	-	No	---	---	---	---	Yes	throughout US	Yes (Important Bird Areas)	n/a	existing layer	GIS	Important Bird Areas already existing GIS layer in project	
Resource Conservation District	Inland Empire Conservation District		requested by SNS 7/16/14; Mandy Parks out til 8/4/14; 8/19/14 SNS met with Mandy Parkes - ok to use existing ownership maps													Mike Sweesy and Mark McGinnis should have their ownership/conservation lands. Need to review those maps and meet with IERCD. 8/19/14 SNS met with Mandy Parkes at IERCD - got authorization to use their ownership mapping. Best not to use any of their pending or properties of interest.
