

Employee of the Quarter SPOTLIGHT!

Director's Message

May 2019

Our May 2019 Employee of the Quarter ceremony was filled with exciting examples of these exceptional staff exhibiting positive attitudes and dedication to their customers. These awardees were recognized for their teaching and facilitating abilities, as well as their fierce loyalty to getting the job done correctly the first time, and setting an example for all staff to strive for. I was humbled by their positive characters, how high they set the bar for themselves, and how they model the Countywide Vision of excellence in customer care by always going above and beyond. They demonstrate their desire to lead every day and there is no doubt in my mind that these employees are well on their way to doing great things in our department and in their careers! I am very proud of these awardees and look forward to hearing about more of the wonderful accomplishments these employees will soon conquer. Congratulations to you all!
