### Firefighter Rescue Training

**What:** Training Drill  
**When:** Mon., Sept. 2  
1pm-4pm  
**Location:** Heaps Peak Radio complex, off Hwy 18

#### Summary:

The County Fire Dept. is hosting a department-wide rope-rescue drill this week at the Heaps Peak Radio complex on Hwy 18 just east of the county waste disposal facility.

Firefighters will be performing simulated rescues high up a 150' radio antenna.

County Fire extends an invitation to our media colleagues who wish to join us for this training. Please contact me at the above email address or phone number if you're interested.
