Firefighters Battle 3 Adelanto Structure Fires in 4 Days

Date/Time: February 24, 2015, 0445
Location: 11800 Block of Lee Avenue, Adelanto
Incident: Firefighters Battle 3 Adelanto Structure Fires in 4 Days

Summary: Early this morning the San Bernardino County Fire Department Communications Center received multiple reports of a fire in a residential building in the area of Adelanto Road / Lee Avenue in the City of Adelanto. When Firefighters arrived within eight minutes they discovered the fire was well-established inside a structure in the 11800 block of Lee Avenue.

Firefighters began an aggressive coordinated attack with a rapid primary search of the building to ensure no occupants remained inside. San Bernardino County Fire utilized 3 Paramedic Engines, 1 Paramedic Truck, 1 Paramedic Squad and 1 Battalion Chief to control and extinguish the fire.

This structure fire is the third fire in the area over the past four days. The first fire was on February 21 in the 11700 block of Brockman Avenue and the second fire on February 22 in the 11700 block of Lee Avenue. These fires are currently under investigation by San Bernardino County Fire Investigators to determine cause and possible relation.

San Bernardino County Fire Department Investigators need your help. If you have any information regarding any of these fires, please contact Dispatch at 909-356-3805 or We-Tip at 800-47-ARSON (800-472-7766).
