### **Garage Fire Damages Home in Fontana**

**Date/Time:** April 2, 2013 at 5:30 p.m.  
**Location:** 9700 Block on Lombardy Ave  
**Incident:** Garage Fire in Fontana

#### **Summary:**

On Tuesday, April 2<sup>nd</sup> at 5:30 p.m., San Bernardino County Fire Department responded to a house fire in Fontana on Lombardy Avenue. On arrival to the house fire they discovered the attached garage was fully involved with some spread into the attic. San Bernardino County Firefighters were able to keep the fire mostly confined to the garage. Through an aggressive fire attack firefighters were able to minimize the spread of fire into the residence. It took three engines, two squads, a truck and a chief officer to provide the man power needed to extinguish the fire. At the time of this press release the cause of this fire is still under investigation.

Don't forget to check your smoke detector batteries every year when you change your clocks. For more information on fire prevention and how to make your home safer, visit [www.sbcfire.org](http://www.sbcfire.org)
