Early Morning Structure Fire Damages Tire Shop

Date/Time: **February 11, 2105, 7:48am**
Location: **17000 Block of Mesa Street in Hesperia, CA**
Incident: **Commercial Structure Fire**

Summary: At 7:48 am on February 11, San Bernardino County Fire Department units were dispatched to a commercial structure fire at the 17000 block of Mesa Street in Hesperia, CA.

Upon arrival San Bernardino County Fire companies reported a single story commercial repair garage with heavy smoke coming from the building. Firefighters engaged in an aggressive fire attack and knocked the fire down within fifteen minutes. The building contained a large number of vehicle tires that fueled the flames and produced a large amount of smoke.

A total of 3 fire engines, 1 truck company and 1 battalion chief from Victorville and Hesperia responded to the fire. There were no injuries to civilians or firefighters. Damages were estimated at \$50,000.00. The fire is under investigation and no cause was yet determined at the time of this press release.

The San Bernardino County Fire Department would like you to know that business and school evacuations need to be a part of life. Know your exits and what procedures to take.
