## **Firefighters Respond to Residential Structure Fire in Phelan**

**Date/Time:** Sunday, December 15, 2019 7:51 pm  
**Location:** 13276 Pacific Road, Phelan  
**Incident:** Residential Structure Fire

**Summary:** At 7:52 last night, San Bernardino County Fire along with one engine from Cal Fire responded to reports of a Structure Fire in the 13200 blk of Pacific Rd. in the Community of Phelan. ME 10 arrived on scene in ten minutes to find a large single story, single family home fully involved.

Crews immediately deployed multiple hose lines and initially took a defensive approach, due to significant involvement. Once crews were able to transition to an offensive approach, they noticed there was an illegal marijuana grow operation. Crews were also faced with electrical hazards during the fire fight. A life hazard alert was initiated, and Edison was immediately requested. Firefighters were able to get knock down on the fire approximately one hour after it stated.

No civilian or firefighter injuries were reported. SBCoFD responded one Battalion Chief, three Engines, one Truck and one Medic Ambulance assisted by one engine from Cal Fire.
