Annual Lake Arrowhead Pancake Breakfast Info

Date/Time: July 7, 2013, 7-10am
Location: Fire Station 91, Lake Arrowhead
Event: Pancake Breakfast and public safety expo
Cost: \$7 for adults; children 6 and under free
Parking: Station 91's lower parking lot, adjacent to Mittry Dr.

The date is once again fast approaching for San Bernardino County Fire's annual Lake Arrowhead pancake breakfast.

This year's event will be held at Fire Station 91, just south of the entry to Lake Arrowhead Village on State Highway 173 in Lake Arrowhead.

Your local firefighters will serve a great morning meal, including pancakes with eggs and sausage, along with beverages such as orange juice and coffee. Fire engines, ambulances and other equipment will be displayed, while kids of all ages will be invited to spray water from fire hose.

A fire-safety training house will provide families with information and practice on keeping safe in an emergency, and fire personnel will be on hand to chat and answer questions about the service they provide your community.

All proceeds from the event are used by the San Bernardino County Firefighter's Association to sponsor a free bonfire and hot dog roast with Santa Claus each December in Lake Arrowhead.
