Fire Prevention Week - Open House
Fire Station 41
57201 Twenty-Nine Palms Hwy., Yucca Valley
October 9, 2010
10:00 a.m. to 2:00 p.m.

The San Bernardino County Fire Dept., South Desert Division will be hosting the 2nd Annual Open House in celebration of Fire Prevention Week.

The event will provide an overview of the Fire Station's operations, equipment, and personnel. There will be vehicle extrication demonstrations by firefighters and a make-n-break; a dunk tank will provide fun for those with a good pitching arm; and last but certainly not least, will be the San Bernardino County Fire Dept. Fire Safety Trailer. A BBQ will also be provided serving hot dogs and a soda – a small donation can be made to assist the Fire Explorer Program.

The Town of Yucca Valley's Road Department will be closing the frontage road 25 feet both east and west of the apparatus driveway in front of the fire station on the day of the event.

We are very pleased and excited to be offering this event again to the community for friends and families to come by and get to know their professional firefighters.

Thank you in advance as always for your support.
