Off Airport Light Aircraft Crash

Date/Time: June 15, 2019 @ 09:45 AM
Location: 1300 Block of Benson Ave UPLAND, CA
Incident: Light Aircraft Crash off airport

Summary:

Two fire engines and one truck company from the San Bernardino County Fire Dept. along with Upland PD and one engine from the City of Montclair FD responded to an Off-Airport light aircraft crash. The plane came to rest on the Upland City Yard property. The pilot and two passengers exited plane without assistance, one victim had life threatening injuries and the other two had minor injuries. All were transported to local hospitals. SBCoFD personnel secured a small fuel leak on the plane and assessed the Upland City Yards for damage. The cause of the crash is under investigation.
