San Bernardino County Fire Crews Response for Medical Calls during COVID-19 Pandemic

San Bernardino County Fire crews continue to be fully staffed, fully equipped and ready to answer any call. Crews will continue to provide premiere service however our crews will be wearing additional personal protective equipment (PPE) until further notice.

Out of an abundance of caution, our crews will respond to medical calls wearing medical examination gloves, a protective mask and a gown or suit. The added PPE will provide additional protection to the public, patient and first responders.

Don't be alarmed by our response and PPE's, it's purely precautionary to limit the COVID-19 spread and to keep our communities safe and healthy.
