ADELANTO - Authorities are continuing to investigate a hit-and-run crash that left a man injured Wednesday evening.

Reports of a vehicle-vs-pedestrian crash in the 18200 block of Bellflower Street were received at 7:24 p.m. Wednesday. Victor Valley Sheriff's station officials said a 46-year-old man was struck by a vehicle, which left the scene following the crash.

San Bernardino County Fire Department spokesman Eric Sherwin said the man was reported to be "awake and breathing" when paramedics arrived, and Sheriff's officials said he was ultimately transported to Loma Linda University Medical Center for treatment. Further details on his injuries weren't provided late Wednesday.

The vehicle was described as a black SUV, officials said, but no other description was provided. The vehicle was still at large as of 8 p.m. Wednesday.

A section of Bellflower Street was closed between Brockman Avenue and Sage Street as authorities investigate the incident. Sheriff's officials said a power pole was also hit during the crash, and Southern California Edison personnel was requested to respond.

No other injuries have yet been reported due to the incident.

This story is developing and more information will be updated as it is received.

Posted: February 2, 2017

A 35-year-old woman was hospitalized Wednesday evening after she was trapped between her car and a gas pump in Twentynine Palms. According to Battalion Chief Mike Snow, Twentynine Palms firefighters were called to the AM/PM gas station in the 73400 block of 29 Palms Highway about 6 p.m. to extricate the woman. Snow said the woman had parked her car at the gas pump and as she started to get out of the vehicle, it slipped out of gear and rolled forward. The door shut on her as it hit the gas pump and pinned her. The unidentified woman was unconscious when rescuers arrived; after pushing the vehicle away from the pump, they had to assist her breathing. Morongo Basin Ambulance transported the woman to Hi-Desert Medical Center where she was then flown to Desert Hospital in Palm Springs.
