8 for booking or detention. For purposes of this subsection, an "employee" shall include
9 any person making an arrest on behalf of an agency enumerated above, including
10 those arrests made on behalf of an agency contracting for law enforcement services
11 with the County. The criminal justice administrative fee shall apply to any arrest
12 attributable to an above-specified entity where an arrestee is brought to a County

25 made during any riot, disturbance, or event that is subject to a declaration of state of
26 emergency by the Governor, or where such fee is otherwise prohibited by law.

2 County Code is amended, to read:

3 **16.0222 Refuse Disposal.**

4 (a) Solid Waste Management Disposal Site Fees for Sites which Charge a Fee
5 Upon Entrance:

6 Fees

7 (1) (A) Ordinary refuse.....\$47.25/ton

8 (B) Ordinary refuse subject to the Comprehensive Disposal
9 Site Diversion Program (AB 939 Fee)\$12.00/ton

10 (This fee is charged in addition to the per ton gate fee set forth in
11 Subsection (a)(1)(A) above. This fee is charged on solid waste
12 brought to a facility at which the Comprehensive Disposal Site
13 Diversion Program has been implemented, unless such solid
14 waste is: waste from a franchised or permitted waste hauler (or
15 from a city, if the city collects its citizens' waste) and is brought in a
16 front-, rear-, or side-loading refuse vehicle (i.e., packer truck); or
17 waste brought from a Materials Recovery Facility or where
18 collection or processing includes a recycling component and the
19 waste contains only an incidental amount of inseparable recyclable
20 materials; or waste generated by a commercial enterprise that has
21 been reviewed and determined by the County of San Bernardino
22 Department of Public Works–Solid Waste Management Division to
23 be sufficiently source separated as to not contain more than an
24 incidental amount of inseparable recyclable materials.)

25 (C) For loads in excess of one ton, the per ton charge shall be
26 prorated for any fraction of a ton of the total weight of the load.

27 (2) Uncovered/Unsecured Loads:

28 To encourage the entrance into County waste facilities of loads that are

1 properly secured or covered pursuant to applicable State or local laws
2 and in deflection of the additional costs incurred because of waste
3 escaping such vehicles, loads brought to such facilities which are not
4 properly secured or covered will be required to pay an additional Solid
5 Waste Management Disposal Site Fee equal to the normal applicable
6 disposal gate fee (including any applicable perchlorate add-on fee) for
7 such waste. This will apply to both minimum and per ton loads, and also
8 loads which would otherwise pay no gate fee, given the payment of a
9 Land Use Fee pursuant to the provisions of Section 16.0222(c).

10 (b) Fee Adjustments:

11 Whenever use of a disposal site financed by land use fees is restricted by order
12 of the Board of Supervisors and refuse is thereby hauled to other sites, the
13 Board of Supervisors may permit acceptance of such refuse without charge at
14 the receiving sites.

15 (c) Solid Waste Management Disposal Facility Fees:

16 (1) The following annual refuse disposal land use fees, based on the County
17 Assessor's Land Use Codes, shall apply in the following areas. Where
18 the Land Use Fee for any Use Code contains a schedule of fees based
19 on the building size or number of dwelling units per parcel, but the
20 relevant data base does not disclose sufficient building size or unit
21 information to determine the correct category for a particular parcel, said
22 parcel shall be charged as though it were the third smallest sized
23 category if there are five or six size categories. If paid, such land use
24 fees shall constitute, relative to ordinary refuse (excluding demolition
25 waste, tires and hard to handle and special handling items) generated on
26 the parcel of property for which the fee is paid, payment of the ordinary
27 refuse per ton fee as set forth in Subsection 16.0222(a)(1), and the

 19 The Department may revise its estimate at any time during the processing of the
 20 project. If a revised estimate is higher than a previous estimate, the Department
 21 may require an additional deposit. Notice of any required additional deposit
 22 shall be mailed (including e-mail) to the applicant. The notice shall include the
 23 date by which the deposit must be made, and shall inform the applicant that
 24 unless provision for payment is made by the date specified, the application will
 25 be deemed denied without prejudice, without further action by the County.
 26 Notwithstanding Section 86.08.010, any such denial without prejudice is not
 27 appealable. Each estimate shall be a good faith attempt to determine the
 28 probable actual cost of the service or process, based on the nature of the

1 project, the Department's experience in processing similar services or
2 processes, and applicable rates. Initial deposits and any additional deposits for
3 all services or processes related to a project shall be placed and combined into
4 a Project Trust Account. Such combined deposited funds will be utilized as the
5 source of payment for any flat fee service, security deposit, or actual cost
6 service on that project. In addition, deposits may also be placed in a Developer
7 Deposit Account. Deposited funds in a Developer Deposit Account may be
8 used by an individual or entity to fund various Project Trust Accounts.

9 (d) Applicant's obligation to pay actual cost – Land Use Services Department and
10 Department of Public Works:

11 The applicant shall pay the actual cost of the project, regardless of any estimate;
12 except that the applicant is not obligated for costs incurred after the applicant
13 delivers to the Department of Public Works and/or the Land Use Services
14 Department either an unconditional written withdrawal of the application, or a
15 written notice to stop work which includes a waiver of any applicable time limits
16 for processing the application.

17 (e) Amounts of \$10.00 or less:

18 Pursuant to Government Code section 29373.1, the applicant shall not be
19 required to pay a balance of \$10.00 or less.

20 (f) Additional invoices necessitated by lack of response by the applicant will be
21 charged to the actual cost application.

22 (g) Refunds:

23 Refunds of fees collected by the Land Use Services Department and the
24 Department of Public Works shall be made as follows:

25 (1) Except as otherwise provided in this section, any fee collected in error
26 shall be refunded.

27 (2) Unused deposit monies on actual cost projects shall be refunded when all
28 charges for the project have been recorded.
