

Behavioral Health

Mental Health Services Act (MHSA) Annual Revenue and Expenditure Report Fiscal Year 2020/21

Thank you for your interest in the Mental Health Services Act (MHSA) Revenue and Expenditure Report. The Department of Behavioral Health (DBH) is required to submit this report annually to the State. This report is being posted to support fiscal transparency of MHSA funds to stakeholders and to comply with laws that require the information to be made available to the public. The purpose of the MHSA Annual Revenue and Expenditure Report (ARER) is as follows:

- Identify how MHSA funds that San Bernardino County received were spent,
- Display the amount of additional funds that were able to be used for mental health services through the leveraging or matching of MHSA funds,
- Identify MHSA funds that were not used,
- Report any interest earned on MHSA funds, and
- To determine if any MHSA funds might need to be reverted (returned) to the State.

Per the law, DBH must spend MHSA CSS, PEI, and INN funds within three fiscal years of receipt, or the funds will revert to the state. Additionally, MHSA funds must be spent in accordance to the requirements outlined in the law.

This ARER is intended to be a snapshot of County MHSA funds as of June 30th, the last day of each fiscal year. DBH emphasizes that the viewing of this report should be considered preliminary, as it cannot be considered final until the Department's Medi-Cal cost report is finalized. As such, the ARER may be updated in the future.

Should you have any questions or concerns related to this report, please feel free to contact the Department of Behavioral Health Mental Health Services Act Administration at (909) 252-4017 or email DBH-MHSA@dbh.sbcounty.gov. Thank you.
