Mental Health Services Act Stakeholder Meetings

Innovation

Join us for a community presentation on new Innovative Project Concepts funded by the Mental Health Services Act (MHSA).

Your feedback is requested as we engage in an interactive discussion to obtain input from partners and community members on how upcoming Innovation project concepts can meet local mental health needs through the Department of Behavioral Health, MHSA Innovation Component.

Everyone with an interest in providing input to shape the development of the proposed Innovation project concepts is highly encouraged to attend.
