

# Join us for the San Bernardino County Behavioral Health Commission District Advisory Committee Meeting

The Behavioral Health Commission (BHC) is divided into five areas consistent with the five supervisory districts of the county. Each area has a sub-committee, known as a District Advisory Committee (DAC), which meets monthly to gather and provide the San Bernardino County Department of Behavioral Health (DBH), through the BHC, feedback on the needs of their region.

**Meetings are open to the public.**
