

# WE WANT TO HEAR FROM YOU!

**Complete this survey to participate in the process of improving health care outcomes for you and our community.**

WE ENVISION A COUNTY WHERE ALL PERSONS HAVE THE OPPORTUNITY TO ENJOY OPTIMUM WELLNESS, WHETHER THEY HAVE EXPERIENCED MENTAL ILLNESS OR SUBSTANCE USE DISORDERS.

The San Bernardino County Department of Behavioral Health (DBH) has brought on Health Management Associates (HMA) to assess the behavioral health needs and community planning process to better understand the strengths, needs, and barriers of the local behavioral health system, as well as opportunities for improvement.

We are asking community members, consumers, and providers of behavioral health services to provide input and feedback.
