FINANCIAL IMPACT

This item does not impact Discretionary General Funding (Net County Cost). The Memoranda of Understanding (MOUs) delineates responsibilities between the Department of Behavioral Health (DBH) and Inland Empire Health Plan (IEHP) and Molina Healthcare of California, Inc. (Molina) for eligible services provided to Medi-Cal beneficiaries. The cost for the provision of eating disorders will be funded by the Mental Health Services Act and 1991 Realignment Funds. Adequate appropriation and revenue are included in the 2023-24 budget and will be included in future DBH recommended budgets.

December 19, 2023

BACKGROUND INFORMATION

DBH, as San Bernardino County's (County) Mental Health Plan (MHP) and Drug Medi-Cal Organized Delivery System (DMC-ODS), is required by regulation (Title 9 of the California Code of Regulations Section 1810.370) and its Specialty Mental Health Services (SMHS) contract with the Department of Health Care Services (DHCS) to enter into MOUs with any Medi-Cal Managed Care Plan (MCP) operating within its county that enrolls Medi-Cal clients.

Currently, DBH works with the two MCPs (IEHP and Molina) operating within the county. DBH has had an MOU with both MCPs for over 20 years, with the purpose of ensuring that physical, SMHS and DMC-ODS delivered to Medi-Cal clients are coordinated. Both the MHP and MCPs develop and sustain a collaborative partnership for the coordination of SMHS and DMC-ODS to MCPs' members who meet medical necessity with DBH. The MCPs provide non-specialty mental health services while DBH provides SMHS and Substance Use Disorder (SUD) services through its network of care, which includes County clinics, Community Based Organizations, and fee for service providers, as the only system of care providing SMHS and DMC-ODS within the county.

DBH currently serves an average of 13,969 IEHP members per month and serves an average of 1,594 Molina members per month.

The MOUs are intended to clarify roles and responsibilities between MHPs and MCPs, support local engagement, facilitate care coordination and the exchange of information necessary to improve care coordination, and improve referral processes between the parties. The overall goal is to improve care coordination for enrolled Medi-Cal clients and protect and promote the behavioral health of the general population by providing and arranging appropriate services to MCP clients.

The MOU with Molina includes the provision for treatment and coordination for a small percentage of members/clients identified as having a severe eating disorder. DBH will collaborate with Molina to address the eating disorder needs of these clients as eating disorders overlap in treatment responsibility. Because a portion of the eating disorders are a covered diagnosis for treatment by DBH, and the clients need outpatient SMHS after the eating disorder services, DBH will work collaboratively with Molina to determine the appropriate level of care and reimburse Molina 50% of the costs for the eating disorder treatment services.

This is the first year the DHCS issued templates to the counties and managed care plans for use. Deviation of the template requires the review and approval by DHCS. The MOUs with IEHP and Molina omit certain County standard terms. The missing terms include the following:

1. The MOUs do not prohibit IEHP or Molina from assigning the MOUs without the County's prior approval.
 - The County standard contract requires that the County must approve any assignment of a contract.
 - Potential Impact: IEHP or Molina could assign the MOUs without the County's knowledge to a third party or business that the County is legally prohibited from doing business with due to issues of Federal debarment or suspension.
2. There is no stated venue in the MOUs.

Memoranda of Understanding for Managed Care Plans with Inland Empire Health Plan and Molina Healthcare of California, Inc. for Medi-Cal Mental Health and Substance Use Disorder Services
December 19, 2023

- County Policy 11-05 requires the venue for disputes be in the Superior Court of California, County of San Bernardino, San Bernardino District.
 - Potential Impact: IEHP is located in the county and therefore any legal dispute would generally be required to be filed in the county courts, but Molina is not located in the county and any legal dispute could be filed in a different county; in any event, the MOUs could also be assigned to a third party without the County's consent, which may result in any legal disputes with the new entity having venue in a different court resulting in additional expenses to the County.
3. The MOUs do not require IEHP or Molina to indemnify the County, as required by County Policies 11-05 and 11-07.
- The County standard contract requires that the contractor agrees to indemnify, defend, and hold the County harmless from third party claims arising out of the acts, errors, or omissions of any person.
 - Potential Impact: IEHP and Molina are not required to defend, indemnify or hold the County harmless from any claims, including indemnification for claims arising from IEHP or Molina's negligent or intentional acts, which could lead to additional expenses for the County.
4. The MOUs do not require IEHP or Molina to meet the County's insurance standards (except for cyber liability insurance with Molina) as required pursuant to County Policies 11-05, 11-07 and 11-07SP.
- County policy requires contracts to carry appropriate insurance at limits and under conditions determined by the County's Risk Management Department and as set forth in County policy and the County standard contract.
 - Potential Impact: The County has no assurance that IEHP or Molina will be financially responsible for claims that may arise under the MOUs, which could result in expenses to the County that exceed the total MOU amounts.
5. The MOUs do not contain a termination for convenience provision.
- The County standard contract gives the County the right to terminate the contract, for any reason, with a 30-day written notice of termination without any obligation other than to pay amounts for services rendered and expenses reasonably incurred prior to the effective date of termination.
 - Potential Impact: The MOUs do not allow the County to terminate the MOUs for any reason and therefore the County may be limited to terminating the MOUs for a material breach of the agreement by either IEHP or Molina.

Approval of Recommendations No. 2 and No. 3 allows for the delegation of authority to the Director of DBH to execute and submit any subsequent non-substantive amendments to the MOUs, on behalf of the County, subject to review by County Counsel. This action will allow DBH to expeditiously respond to changes in regulations/programs of Medi-Cal SMHS and SUD services in order to quickly meet the needs of mutual clients.

viii. DMC-ODS must have a process by which DMC-ODS accepts referrals from MCP staff, providers, or a self-referred Member for assessment, and the mechanism for communicating such acceptance to MCP, the provider, or the self-referred Member, respectively.

Closed Loop Referrals. By January 1, 2025, the Parties must develop a process to implement DHCS guidance regarding closed loop referrals to applicable Community Supports, ECM benefits, and/or community-based resources, as referenced in the CalAIM Population Health Management Policy Guide,¹ APL [22-024](#), or any subsequent version of the APL, and as set forth by DHCS through APL, or other, similar guidance. The Parties must work collaboratively to develop and implement a process to ensure that MCP and MHP/DMC-ODS comply with the applicable provisions of closed loop referrals guidance within 90 Working Days of issuance of this guidance. The Parties must establish a system that tracks cross-system referrals and meets all requirements as set forth by DHCS through an APL or other, similar guidance.]

8. Care Coordination and Collaboration.

a. Care Coordination.

i. The Parties must adopt policies and procedures for coordinating Members' access to care and services that incorporate all the specific requirements set forth in this MOU and for MHP's to ensure Medically Necessary NSMHS and SMHS provided concurrently are coordinated and non-duplicative.

ii. The Parties must discuss and address individual care coordination issues or barriers to care coordination efforts at least quarterly.

iii. The Parties must establish policies and procedures to maintain collaboration with MHP/DMC-ODS each other and to identify strategies to monitor and assess the effectiveness of this MOU. The MHP policies and procedures must ensure coordination of inpatient and outpatient medical and mental health care for all Members enrolled in MCP and receiving SMHS through MHP, and must comply with federal and State law, regulations, and guidance, including Cal. Welf. & Inst. Code Section 5328.

iv. The Parties must establish and implement policies and procedures that align for coordinating Members' care that address:

1. The requirement for DMC-ODS to refer Members to MCP to be assessed for care coordination and other similar programs and other services for which they may qualify provided by MCP including, but not limited to, ECM, CCM, or Community Supports;

2. The specific point of contact from each Party, if someone other than each Party's Responsible Person, to act as the liaison between Parties and be responsible for initiating, providing, and maintaining ongoing care coordination for all Members under this MOU.

3. A process for coordinating care for MHP individuals who meet access criteria for and are concurrently receiving NSMHS and SMHS consistent with the No Wrong Door for Mental Health Services Policy described in APL [22-005](#) and BHIN 22-011 to ensure the care is clinically appropriate and non-duplicative and considers the

Member's established therapeutic relationships; Also, a process for how MCP and DMC-ODS will engage in collaborative treatment planning to ensure care is clinically appropriate and non-duplicative and considers the Member's established therapeutic relationships;

4. A process for coordinating the delivery of medically necessary Covered Services with the Member's Primary Care Provider, including without limitation transportation services, home health services, and other Medically Necessary Covered Services for eligible members.

5. For MHP only, permitting Members to concurrently receive NSMHS and SMHS when clinically appropriate, coordinated, and not duplicative consistent with the No Wrong Door for Mental Health Services Policy described in APL [22-005](#) and BHIN [22-011](#).

6. For DMC-ODS only, a process for how MCP AND DMC-ODS will help to ensure the Member is engaged and participates in their care program and a process for ensuring the Members, caregivers, and providers are engaged in the development of a Member's care;-

7. MHP only, a process for ensuring that Members and Network Providers can coordinate coverage of Covered Services and carved-out services outlined by this MOU outside normal business hours, as well as providing or arranging for 24/7 emergency access to admission to psychiatric inpatient hospital.

8. For DMC-ODS only, a process for how the Parties will engage in collaborative treatment planning and ensure communication among providers, including procedures for exchanges of medical information; and

9. For DMC-ODS only, processes to ensure that Members and providers can coordinate coverage of Covered Services and carved-out services outlined by this MOU outside of normal business hours, as well as providing or arranging for 24/7 emergency access to Covered Services and carved-out services.

v. Transitional Care.

1. The Parties must establish policies and procedures and develop a process describing how MCP and MHP/DMC-ODS will coordinate transitional care services for Members. A "transitional care service" is defined as the transfer of a Member from one setting or level of care to another, including, but not limited to, discharges from hospitals, institutions, and other acute care facilities and skilled nursing facilities to home or community-based settings;¹ for DMC-ODS, level of care transitions that occur within the facility; or transitions from outpatient therapy to intensive outpatient therapy and vice versa.

2. For MHP Members who are admitted to an acute psychiatric hospital, psychiatric health facility, adult residential, or crisis residential stay, or DMC-ODS Members who are admitted for residential SUD treatment, including, but not limited to, Short-Term Residential Therapeutic Programs and Psychiatric Residential Treatment Facilities, where MHP/DMC-ODS is the primary payer, MHP/DMC-ODS are primarily responsible for coordination of the Member upon discharge. In collaboration with MHP/DMC-ODS, MCP is responsible for ensuring transitional care coordination as required by Population Health Management,²

¹ Expectations for transitional care are defined in the PHM Policy Program Guide: <https://www.dhcs.ca.gov/CalAIM/Documents/2023-PHM-Program-Guide-a11y.pdf>

² Expectations for transitional care are defined in the PHM Policy Program Guide: <https://www.dhcs.ca.gov/CalAIM/Documents/2023-PHM-Program-Guide-a11y.pdf>; see also PHM Roadmap and Strategy: <https://www.dhcs.ca.gov/CalAIM/Documents/Final->

including, but not limited to:

- a. Tracking when Members are admitted, discharged, or transferred from facilities contracted by MHP/DMC-ODS (e.g., psychiatric inpatient hospitals, psychiatric health facilities, residential mental health facilities) in accordance with Section 11(a)(iii) of this MOU;
- b. Approving prior authorizations and coordinating services where MCP is the primary payer (e.g., home services, long-term services and supports for dual-eligible Members);
- c. Ensuring the completion of a discharge risk assessment and developing a discharge planning document;
- d. Assessing Members for any additional care management programs or services for which they may qualify, such as ECM, CCM, or Community Supports and enrolling the Member in the program as appropriate;
- e. Notifying existing CCM Care Managers of any admission if the Member is already enrolled in ECM or CCM; and
- f. Assigning or contracting with a care manager to coordinate with behavioral health or county care coordinators for each eligible Member to ensure physical health follow up needs are met as outlined by the Population Health Management Policy Guide.

3. The Parties must include in their policies and procedures a process for updating and overseeing the implementation of the discharge planning documents as required for Members transitioning to or from MCP or MHP/DMC-ODS services.

4. For inpatient mental health treatment provided by MHP or for inpatient residential SUD treatment provided by DMC-ODS or for inpatient hospital admissions or emergency department visits known to MCP, the process must include the specific method to notify each Party within 24 hours of admission and discharge and the method of notification used to arrange for and coordinate appropriate follow-up services.

5. For MHP only, the Parties must have policies and procedures for addressing changes in a member's medical or mental health condition when transferring between inpatient psychiatric service and inpatient medical services, including direct transfers.

vi. Clinical Consultation

1. For the MHP only.

a. The Parties must establish policies and procedures for MCP and MHP to provide clinical consultations to each other regarding a Member's mental illness, including consultation on diagnosis, treatment, and medications.

b. The Parties must establish policies and procedures for reviewing and updating a Member's problem list, as clinically indicated (e.g., following crisis intervention or hospitalization), including when the care plan or problem list must be updated, and coordinating with outpatient mental health Network Providers.

2. For the DMC-ODS only.

a. The Parties must establish policies and procedures to ensure that Members have access to clinical consultation, including consultation on medications, as well as clinical navigation support for patients and caregivers.

vii. Enhanced Care Management.

[Population-Health- Management-Strategy-and-Roadmap.pdf](#)

1. Delivery of the ECM benefit for individuals who meet ECM Population of Focus definitions (including, but not limited to, the Individuals with Severe Mental Illness and Children Populations of Focus) must be consistent with DHCS guidance regarding ECM, including:

a. That MCP prioritize assigning a Member to an SMHS Provider as the ECM Provider if the Member receives SMHS from that Provider and that Provider is a contracted ECM Provider, unless the Member has expressed a different preference or MCP identifies a more appropriate ECM Provider given the Member's individual needs and health conditions;

b. That the Parties implement a process for SMHS/DMC-ODS Providers to refer their patients to MCP for ECM if the patients meet Population of Focus criteria; and

c. That the Parties implement a process for avoiding duplication of services for individuals receiving ECM with DMC-ODS care coordination, SMHS Targeted Case Management ("TCM"), Intensive Care Coordination ("ICC"), and/or Full-Service Partnership ("FSP") services as set forth in the CalAIM ECM Policy Guide, as revised or superseded from time to time, and coordination activities.

d. MCP must have written processes for ensuring the non-duplication of services for MCP Members receiving ECM and DMC-ODS Care Coordination.

Community Supports.

1. Coordination must be established with applicable Community Supports providers under contract with MCP, including:

a. The identified point of contact, from each Party to act as the liaison to oversee initiating, providing, and maintaining ongoing coordination as mutually agreed upon in MCP and MHP/DMC-ODS protocols;

b. Identification of the Community Supports covered by MCP; and

c. A process specifying how MHP/DMC-ODS will make referrals for Members eligible for or receiving Community Supports.

ix. Eating Disorder Services (MCP and MHP Only Addendum I).

1. MHP is responsible for the SMHS components of eating disorder treatment and MCP is responsible for the physical health components of eating disorder treatment and NSMHS, including, but not limited to, those in APL 22-003 and BHIN 22-009, and any subsequently issued superseding APLs or BHINs, and must develop a process to ensure such treatment is provided to eligible Members, specifically:

a. MHP must provide for medically necessary psychiatric inpatient hospitalization and outpatient SMHS.

b. MCP must also provide or arrange for NSMHS for Members requiring eating disorder services.

2. For partial hospitalization and residential eating disorder programs, MHP is responsible for medically necessary SMHS components, while MCP is responsible for the medically necessary physical health components.

a. MCP is responsible for the physical health components of eating disorder treatment, including emergency room services, and inpatient hospitalization for Members with physical health conditions, including those who require hospitalization due to physical complications of an eating disorder and who do not meet criteria for psychiatric hospitalization.

x. Prescription Drugs.

1. The Parties must establish policies and procedures to coordinate prescription drug, laboratory, radiological, and radioisotope service procedures, including developing a process for coordination between MCP and DMC-ODS and a process for referring eligible Members for SUD services to a Drug Medi-Cal-certified program or a DMC-ODS program in accordance with the Medi-Cal Managed Care Contract. The joint policies and procedures must include:

a. MHP is obligated to provide the names and qualification of prescribing physicians to the MCP.

b. MCP is obligated to provide the MCP's procedures for obtaining authorization of prescribed drugs and laboratory services, including a list of available pharmacies and laboratories.

9. Quarterly Meetings.

a. The Parties must meet as frequently as necessary to ensure proper oversight of this MOU but not less frequently than quarterly to address care coordination, Quality Improvement ("QI") activities, QI outcomes, systemic and case-specific concerns, and communication with others within their organizations about such activities. These meetings may be conducted virtually.

b. Within 30 Working Days after each quarterly meeting, the Parties must each post on its website the date and time the quarterly meeting occurred, and, as applicable, distribute to meeting participants a summary of any follow-up action items or changes to processes that are necessary to fulfill the Parties' obligations under the Medi-Cal Managed Care Contract, the MHP Contract or the DMC-ODS Intergovernmental Agreement, and this MOU.

c. The Parties must invite the other Party's Responsible Person and appropriate program executives to participate in quarterly meetings to ensure appropriate committee representation, including local presence, to discuss and address care coordination and MOU-related issues. The Parties' Subcontractors and Downstream Subcontractors should be permitted to participate in these meetings, as appropriate.

d. The Parties must report to DHCS updates from quarterly meetings in a manner and frequency specified by DHCS.

e. **Local Representation.** MCP must participate, as appropriate, in meetings or engagements to which MCP is invited by MHP/DMC-ODS, such as local county meetings, local community forums, and MHP/DMC-ODS engagements, to collaborate with MHP/DMC-ODS in equity strategy and wellness and prevention activities.

10. Quality Improvement. The Parties must develop QI activities specifically for the oversight of the requirements of this MOU, including, without limitation, any applicable

performance measures and QI initiatives, including those to prevent duplication of services, as well as reports that track referrals, Member engagement, and service utilization. Such QI activities must include processes to monitor the extent to which Members are able to access mental health services across SMHS and NSMHS, and Covered Service utilization. The Parties must document these QI activities in policies and procedures.

11. Data Sharing and Confidentiality. The Parties must establish and implement policies and procedures to ensure that the minimum necessary Member information and data for accomplishing the goals of this MOU are exchanged timely and maintained securely and confidentially and in compliance with the requirements set forth below to the extent permitted under applicable state and federal law. The Parties will share protected health information (“PHI”) for the purposes of medical and behavioral health care coordination pursuant to Cal. Code Regs. tit. 9, Section 1810.370(a)(3), and to the fullest extent permitted under the Health Insurance Portability and Accountability Act and its implementing regulations, as amended (“HIPAA”) and 42 Code Federal Regulations Part 2, and other State and federal privacy laws. For additional guidance, the Parties should refer to the CalAIM Data Sharing Authorization Guidance.³

a. **Data Exchange.** Except where prohibited by law or regulation, MCP and MHP/DMC-ODS must share the minimum necessary data and information to facilitate referrals and coordinate care under this MOU. The Parties must have policies and procedures for supporting the timely and frequent exchange of Member information and data, including behavioral health and physical health data; for ensuring the confidentiality of exchanged information and data; and, if necessary, for obtaining Member consent, when required. The minimum necessary information and data elements to be shared as agreed upon by the Parties, are set forth in this MOU. To the extent permitted under applicable law, the Parties must share, at a minimum, Member demographic information, behavioral and physical health information, diagnoses, assessments, medications prescribed, laboratory results, referrals/discharges to/from inpatient or crisis services and known changes in condition that may adversely impact the Member’s health and/or welfare. The Parties must annually review and, if appropriate, update this MOU to facilitate sharing of information and data. MHP/DMC-ODS and MCP must establish policies and procedures to implement the following with regard to information sharing:

- i. A process for timely exchanging information about Members eligible for ECM, regardless of whether the Specialty Mental Health or DMC-ODS provider is serving as an ECM provider;
- ii. A process for MHP/DMC-ODS to send regular, frequent batches of referrals to ECM and Community Supports to MCP in as close to real time as possible;
- iii. A process for MHP/DMC-ODS to send admission, discharge, and transfer data to MCP when Members are admitted to, discharged from, or transferred from facilities contracted by MHP/DMC-ODS (e.g., psychiatric inpatient hospitals, psychiatric health facilities, residential mental health facilities, residential SUD treatment facilities, residential SUD withdrawal management facilities), and for MCP to receive this data. This process may incorporate notification requirements as described in Section 8(a)(v)(3);
- iv. A process to implement mechanisms to alert the other Party of

³ CalAIM Data Sharing Authorization Guidance VERSION 2.0 June 2023 available at: <https://www.dhcs.ca.gov/Documents/MCQMD/CalAIM-Data-Sharing-Authorization-Guidance-Version-2-Draft-Public-Comment.pdf>.

behavioral health crises (e.g., MHP/DMC-ODS alerts MCP of Members' uses of mobile health, psych inpatient, and crisis stabilization and MCP alerts MHP of Members' visits to emergency departments and hospitals); and

v. A process for MCP to send admission, discharge, and transfer data to MHP/DMC-ODS when Members are admitted to, discharged from, or transferred from facilities contracted by MCP (e.g., emergency department, inpatient hospitals, nursing facilities), and for MHP/DMC-ODS to receive this data. This process may incorporate notification requirements as described in Section 8(a)(v)(3).

The Parties mutually agree to ensure the safe sharing of Protected Health Information (PHI) in a timely manner, in accordance with appropriate data sharing, confidentiality and data exchange methods as well as the applicable privacy law(s). If/when Member signed authorized is required to disclose PHI under 42 C.F.R. Part, HIPAA or WIC 5328, MCP and MHP/DMC-ODS mutually agree to utilize the MHP/DMC-ODS Authorization to Release PHI Form: COM001_E (English); COM001_S (Spanish); COM001_V (Vietnamese) that can be found on the MHP/DMC-ODS website.

b. **Behavioral Health Quality Improvement Program.** If MHP/DMC-ODS is participating in the Behavioral Health Quality Improvement Program, then MCP and MHP/DMC-ODS are encouraged to execute a DSA. If MHP/DMC-ODS and MCP have not executed a DSA, MHP/DMC-ODS must sign a Participation Agreement to onboard with a Health Information Exchange that has signed the California Data Use and Reciprocal Support Agreement and joined the California Trusted Exchange Network.

c. **Interoperability.** MCP and DMC-ODS must exchange data in compliance with the payer-to-payer data exchange requirements pursuant to 45 Code of Federal Regulations Part 170. MCP and MHP/DMC-ODS must make available to Members their electronic health information held by the Parties and make available an application programming interface ("API") that makes complete and accurate Network Provider directory information available through a public-facing digital endpoint on MCP's and MHP's respective websites pursuant to 42 Code of Federal Regulations Section 438.10. The Parties must comply with DHCS interoperability requirements set forth in APL [22-026](#) and [BHIN22-068](#), or any subsequent version of the APL and BHIN, as applicable.

12. Dispute Resolution

MCP and MHP Only.

a. The Parties must agree to dispute resolution procedures such that in the event of any dispute or difference of opinion regarding the Party responsible for service coverage arising out of or relating to this MOU, the Parties must attempt, in good faith, to promptly resolve the dispute mutually between themselves. The Parties must document the agreed-upon dispute resolution procedures in policies and procedures. Pending resolution of any such dispute, MCP and MHP must continue without delay to carry out all responsibilities under this MOU unless the MOU is terminated. If the dispute cannot be resolved within 15 Working Days of initiating such negotiations, either Party may pursue its available legal and equitable remedies under California law. Disputes between MCP and DMC-ODS that cannot be resolved in a good faith attempt between the Parties must be forwarded by MCP and/or DMC-ODS to DHCS.

b. Disputes between MCP and MHP that cannot be resolved in a good faith attempt between the Parties must be forwarded to DHCS via a written "Request for Resolution" by either

MHP or MCP within three business days after failure to resolve the dispute, consistent with the procedure defined in Cal. Code Regs. tit. 9, § 1850.505, "Resolutions of Disputes between MHPs and Medi-Cal Managed Care Plans" and APL 21-013. Any decision rendered by DHCS regarding a dispute between MCP and MHP concerning provision of Covered Services is not subject to the dispute procedures set forth in the Primary Operations Contract Exhibit E, Section 1.21 (Contractor's Dispute Resolution Requirements);

c. A dispute between MHP and MCP must not delay the provision of medically necessary SMHS, physical health care services, or related prescription drugs and laboratory, radiological, or radioisotope services to beneficiaries as required by Cal. Code Regs. tit. 9, § 1850.525;

d. Until the dispute is resolved, the following must apply:

i. The Parties may agree to an arrangement satisfactory to both Parties regarding how the services under dispute will be provided; or

ii. When the dispute concerns MCP's contention that MHP is required to deliver SMHS to a Member either because the Member's condition would not be responsive to physical health care-based treatment or because MHP has incorrectly determined the Member's diagnosis to be a diagnosis not covered by MHP, MCP must manage the care of the Member under the terms of its contract with the State until the dispute is resolved. MHP must identify and provide MCP with the name and telephone number of a psychiatrist or other qualified licensed mental health professional available to provide clinical consultation, including consultation on medications to MCP provider responsible for the Member's care; or

iii. When the dispute concerns MHP's contention that MCP is required to deliver physical health care-based treatment of a mental illness, or to deliver prescription drugs or laboratory, radiological, or radioisotope services required to diagnose or treat the mental illness, MHP is responsible for providing or arranging and paying for those services until the dispute is resolved.

e. If decisions rendered by DHCS find MCP is financially liable for services, MCP must comply with the requirements in Cal. Code Regs. tit. 9, § 1850.530.

f. The Parties may agree to an expedited dispute resolution process if a Member has not received a disputed service(s) and the Parties determine that the routine dispute resolution process timeframe would result in serious jeopardy to the Member's life, health, or ability to attain, maintain, or regain maximum function. Under this expedited process, the Parties will have one Working Day after identification of a dispute to attempt to resolve the dispute at the plan level. All terms and requirements established in APL [21-013](#) and BHIN [21-034](#) apply to disputes between MCP and MHP where the Parties cannot agree on the appropriate place of care. Nothing in this MOU or provision must constitute a waiver of any of the government claim filing requirements set forth in Title I, Division 3.6, of the California Government Code or as otherwise set forth in local, state, and federal law.

g. MHP must designate a person or process to receive notice of actions, denials, or deferrals from MCP, and to provide any additional information requested in the deferral notice as necessary for a medical necessity determination.

h. MCP must monitor and track the number of disputes with MHP where the Parties cannot agree on an appropriate place of care and, upon request, must report all such disputes to DHCS.

i. Once MHP receives a deferral from MCP, MHP must respond by the close of the business day following the day the deferral notice is received, consistent with Cal. Welf. & Inst. Code § 14715.

j. Nothing in this MOU or provision constitutes a waiver of any of the

government claim filing requirements set forth in Title I, Division 3.6, of the California Government Code or as otherwise set forth in local, State, or federal law.

MCP and DMC-ODS Only

a. The Parties must agree to dispute resolution procedures such that in the event of any dispute or difference of opinion regarding the Party responsible for service coverage arising out of or relating to this MOU, the Parties must attempt, in good faith, to promptly resolve the dispute mutually between themselves. The Parties must document the agreed-upon dispute resolution procedures in policies and procedures. Pending resolution of any such dispute, MCP and DMC-ODS must continue without delay to carry out all responsibilities under this MOU unless the MOU is terminated. If the dispute cannot be resolved within 15 Working Days of initiating such negotiations or such other period as may be mutually agreed to by the Parties in writing, either Party may pursue its available legal and equitable remedies under California law. Disputes between MCP and DMC-ODS that cannot be resolved in a good faith attempt between the Parties must be forwarded by MCP and/or DMC-ODS to DHCS. Unless otherwise determined by the Parties, the DMC-ODS Liaison must be the designated responsible individual to receive notice of actions, denials, or deferrals from MCP, and to provide any additional information requested in the deferral notice as necessary for a medical necessity determination.

b. MCP must monitor and track the number of disputes with DMC-ODS where the Parties cannot agree on an appropriate place of care and, upon request, must report all such disputes to DHCS.

c. Until the dispute is resolved, the following must apply:

i. The Parties may agree to an arrangement satisfactory to both Parties regarding how the services under dispute will be provided; or

ii. When the dispute concerns MCP's contention that DMC-ODS is required to deliver SUD services to a member and DMC-ODS has incorrectly determined the Member's diagnosis to be a diagnosis not covered by DMC-ODS, MCP must manage the care of the Member under the terms of its contract with the state until the dispute is resolved.

iii. When the dispute concerns DMC-ODS' contention that MCP is required to deliver physical health care-based treatment, or to deliver prescription drugs or laboratory, radiological, or radioisotope services required to diagnose, DMC-ODS must be responsible for providing or arranging and paying for those services until the dispute resolved.

d. Nothing in this MOU or provision constitutes a waiver of any of the government claim filing requirements set forth in Title I, Division 3.6, of the California Government Code or as otherwise set forth in local, State, or federal law

13. Equal Treatment. Nothing in this MOU is intended to benefit or prioritize Members over persons served by MHP/DMC-ODS who are not Members. Pursuant to Title VI, 42 United States Code Section 2000d, et seq., MHP/DMC-ODS cannot provide any service, financial aid, or other benefit, to an individual which is different, or is provided in a different manner, from that provided to others provided by MHP/DMC-ODS.

14. General.

a. **MOU Posting.** MCP and MHP/DMC-ODS must each post this executed MOU on its website.

b. **Documentation Requirements.** MCP and MHP/DMC-ODS must retain all documents demonstrating compliance with this MOU for at least 10 years as required by the Medi-Cal Managed Care Contract and the MHP/DMC-ODS Contract. If DHCS requests a review of any existing MOU, the Party that received the request must submit the requested MOU to DHCS within 10 Working Days of receipt of the request.

c. **Notice.** Any notice required or desired to be given pursuant to or in connection with this MOU must be given in writing, addressed to the noticed Party at the Notice Address set forth below the signature lines of this MOU. Notices must be (i) delivered in person to the Notice Address; (ii) delivered by messenger or overnight delivery service to the Notice Address; (iii) sent by regular United States mail, certified, return receipt requested, postage prepaid, to the Notice Address; or (iv) sent by email, with a copy sent by regular United States mail to the Notice Address. Notices given by in-person delivery, messenger, or overnight delivery service are deemed given upon actual delivery at the Notice Address. Notices given by email are deemed given the day following the day the email was sent. Notices given by regular United States mail, certified, return receipt requested, postage prepaid, are deemed given on the date of delivery indicated on the return receipt. The Parties may change their addresses for purposes of receiving notice hereunder by giving notice of such change to each other in the manner provided for herein.

d. **Delegation.** MCP and MHP/DMC-ODS may delegate its obligations under this MOU to a Fully Delegated Subcontractor or Partially Delegated Subcontractor as permitted under the Medi-Cal Managed Care Contract, provided that such Fully Delegated Subcontractor or Partially Delegated Subcontractor is made a Party to this MOU. Further, the Parties may enter into Subcontractor Agreements or Downstream Subcontractor Agreements that relate directly or indirectly to the performance of the Parties' obligations under this MOU. Other than in these circumstances, the Parties cannot delegate the obligations and duties contained in this MOU.

e. **Annual Review.** MCP and MHP/DMC-ODS must conduct an annual review of this MOU to determine whether any modifications, amendments, updates, or renewals of responsibilities and obligations outlined within are required. MCP and MHP/DMC-ODS must provide DHCS evidence of the annual review of this MOU as well as copies of any MOUs modified or renewed as a result.

f. **Amendment.** This MOU may only be amended or modified by the Parties through a writing executed by the Parties. However, this MOU is deemed automatically amended or modified to incorporate any provisions amended or modified in the Medi-Cal Managed Care Contract, the MHP Contract, DMC-ODS Intergovernmental Agreement, any subsequently issued superseding APLs, BHINs, or guidance, or as required by applicable law or any applicable guidance issued by a State or federal oversight entity.

g. **Governance.** This MOU is governed by and construed in accordance with the laws of the state of California.

h. **Independent Contractors.** No provision of this MOU is intended to create, nor is any provision deemed or construed to create any relationship between MHP/DMC-ODS and MCP other than that of independent entities contracting with each other hereunder solely for the purpose of effecting the provisions of this MOU. Neither MHP/DMC-ODS nor MCP, nor any of their respective contractors, employees, agents, or representatives, is construed to be the contractor, employee, agent, or representative of the other.

i. **Counterpart Execution.** This MOU may be executed in counterparts signed electronically, and sent via PDF, each of which is deemed an original, but all of which, when taken together, constitute one and the same instrument.

j. **Superseding MOU.** This MOU constitutes the final and entire agreement between the Parties and supersedes any and all prior oral or written agreements, negotiations, or understandings between the Parties that conflict with the provisions set forth in this MOU. It is expressly understood and agreed that any prior written or oral agreement between the Parties pertaining to the subject matter herein is hereby terminated by mutual agreement of the Parties.

(Remainder of this page intentionally left blank)

The Parties represent that they have authority to enter into this MOU on behalf of their respective entities and have executed this MOU as of the Effective Date.
