PUBLIC NOTICE – PROJECT FACT SHEET

DATE: April 8, 2022

PROJECT LOCATION: Community of Devore / Rosena Ranch (see attached location map)

PROJECT DESCRIPTION: Phase I project improvements include milling the existing asphalt concrete, overlaying with new pavement, reconstructing curb ramps at various locations, in accordance with current design standards and pursuant to the Americans with Disabilities Act (ADA), and painting of pavement stripes and markings.

The County will return to the Rosena Ranch community at a later date to construct similar improvements for Phase II of the project.

LANE CLOSURE INFORMATION: Lane closures may be required during construction which may cause delays; however, traffic control will be established on each road to direct motorists along one 11-foot lane in both directions.

We encourage you to allow additional time in your commute schedule for possible delays and to please drive with caution and reduce speeds through work zones. We regret any inconvenience this work may cause you, and we look forward to the timely completion of this project that will enhance the quality of life in our local communities. Thank you for your patience and cooperation in assisting us in constructing this project.

ESTIMATED CONSTRUCTION DATE: Spring 2022

COUNTYWIDE VISION: This project was approved by our Board of Supervisors upon the passing of the County's 2021-2022 budget. This project is in line with the Countywide Vision of a sustainable system of public safety. In its dedication to the Vision, the Department is continuing its ongoing efforts of constructing improvements on County maintained roads.

AVISO PÚBLICO – HOJA INFORMATIVA DEL PROYECTO

FECHA: Abril 8, 2022

UBICACIÓN DEL PROYECTO: Comunidad de Devore / Rosena Ranch (ver mapa de ubicación adjunto)

DESCRIPCIÓN DEL PROYECTO: Las mejoras de la Fase I incluyen el fresado del concreto asfáltico existente, la superposición con pavimento nuevo, la reconstrucción de rampas de bordillo en varios lugares, de acuerdo con los estándares de diseño actuales y de conformidad con la Ley de Estadounidenses con Discapacidades (ADA), y la pintura de rayas y marcas de pavimento.

El Condado regresará a la comunidad de Rosena Ranch en una fecha posterior para construir mejoras similares para la Fase II del proyecto.

INFORMACIÓN DE CIERRE DE CARRILES: Es posible que se requieran cierres de carriles durante la construcción, lo que puede causar retrasos; sin embargo, se establecerá un control de tráfico en cada carretera para dirigir a los automovilistas a lo largo de un carril de 11 pies en ambas direcciones.

Le recomendamos que permita tiempo adicional en su horario de viaje para posibles retrasos y que conduzca con precaución y reduzca las velocidades a través de las zonas de trabajo. Lamentamos cualquier inconveniente que este trabajo pueda causarle, y esperamos la finalización oportuna de este proyecto que mejorará la calidad de vida en nuestras comunidades locales. Gracias por su paciencia y cooperación para ayudarnos a construir este proyecto.

FECHA ESTIMADA DE CONSTRUCCIÓN: Primavera 2022

VISIÓN DE TODO EL CONDADO: Este proyecto fue aprobado por nuestra Junta de Supervisores al aprobar el presupuesto del Condado para 2021-2022. Este proyecto está en línea con la Visión de todo el Condado de un sistema sostenible de seguridad pública. En su dedicación a la Visión, el Departamento continúa sus esfuerzos continuos para construir mejoras en las carreteras mantenidas por el Condado.
