Director

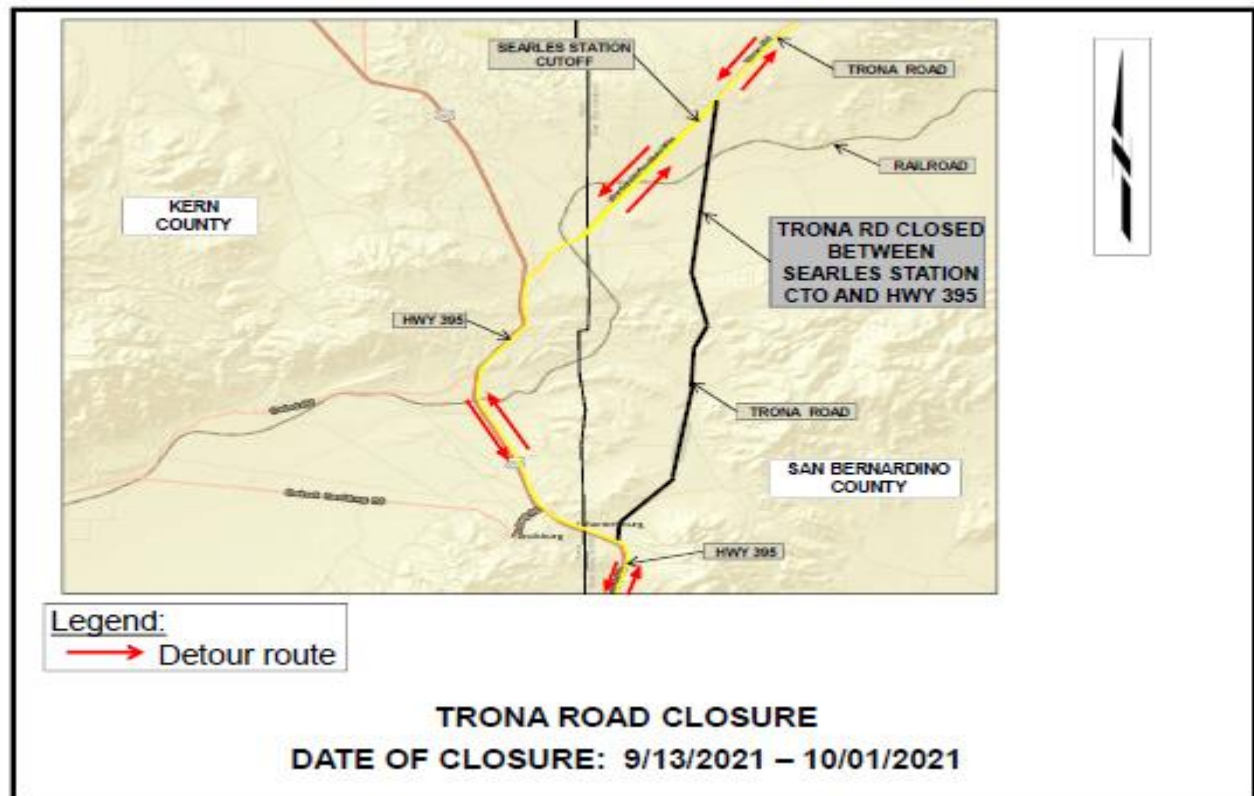

Trona Road Overlay Project

The County of San Bernardino Department of Public Works has scheduled a resurfacing project on Trona Road, between Searles Station Cutoff and Highway 395 in the Red Mountain/Searles area starting on Monday, September 13, 2021 thru Friday, October 1, 2021, weather permitting. This section of Trona Road will be closed during the duration of the project and a detour will be provided. Please see map below for detour and location information.

Pavement Preservation Project

This Project consists of applying a thin overlay of asphalt concrete to the existing lanes. The purpose of this project it to help extend the life of the road and improve the road surface. Once the paving operations are completed new pavement markings will be installed.

For further information, please contact the Department of Public Works Dispatch at (909) 387-8063.
