

# **CONTINUOUS QUALITY IMPROVEMENT LEADERSHIP TEAM**

## **2022 System Quality Improvement Indicators**

### **Assess and Refer**

### **Narcan Administration**

### **Advanced Airway Management**

**Each indicator was developed to enhance the EMS system. It was based on collaboration with the EMS community, and a shared commitment to excellence. It will be monitored for quality assurance and evaluated for potential system improvement.**

**It is also the intention of this committee to recognize excellence in performance and service.**
