- If a candidate's statement is not filed, a waiver to that effect on the Candidate's Statement Agreement Form must be signed and filed with the declaration of candidacy.
- Candidate's statements are confidential until the filing period ends, at which time they become public information.

Preparing the content of your statement:

- The elections official shall not cause to be printed or circulated any statement that the elections official determines is not so limited or that includes any reference prohibited by this section. [Elections Code §13308](#)
- Nothing in the candidate's statement shall be deemed to make any such statement or the authors thereof free or exempt from any civil or criminal action

or penalty because of any false, slanderous or libelous statements offered for printing or contained in the voter's pamphlet. [Elections Code §13307\(d\)](#)

- Any candidate in an election who knowingly makes a false statement of a material fact in a candidate statement, prepared pursuant to [Elections Code 13307](#), with the intent to mislead the voters in connection with his or her campaign for nomination or election to a nonpartisan office is punishable by a fine not to exceed one thousand dollars (\$1000). [Elections Code §18351](#)

Once the statement has been filed, it may not be changed by the candidate, and will be subject to editing by the Elections Office to bring it within content, word count, and format requirements. If any statement exceeds the word limit, the candidate must delete or change a sufficient number of words to bring the statement within the required word limit before the statement is filed. If the statement is filed without the correction or deletion by the candidate, the statement will be cut off at the 200 word limit by the Elections Office.
