

Rebuttal on Q

The Argument against Measure Q is signed by a bunch of politicians. One is running for the Board of Supervisors, one is running for the State Assembly, and the other describes himself as a "Candidate for County Sheriff".

It seems clear that best way to campaign for office is to get your name in the ballot statement.

None of us have run for public office before or have any plans to run. We just want what is best for San Bernardino County.

We want openness and transparency in our system that will allow the elected leaders to be in control of the process instead of a bunch of bureaucrats.

Now is the time for leadership in San Bernardino, not political games.

Vote Yes on Q.
