

(Yucca Valley) Rebuttal to Argument Against Measure U

The fact is, Yucca Valley is under assault from Sacramento politicians and their never-ending money grabs and regulations.

Should we just wring our hands and continue to take this abuse? Absolutely not! Join the Yucca Valley Chamber of Commerce and your neighbors in voting **YES on U** to protect our services and property values!

FACT: **YES on U** gives Yucca Valley LOCAL CONTROL over our taxpayer dollars, to address OUR needs. By law, this money can't be seized by Sacramento politicians.

FACT: Sacramento has ordered us to develop a centralized sewer system by 2016 – or face significant penalties and fines. **YES on U** helps fund the wastewater treatment plant and collection system – reducing costs for Yucca Valley taxpayers by at least 35% by lowering costs to connect to the sewer system.

FACT: **YES on U** maintains neighborhood police patrols, 911 response, and narcotics enforcement while maintaining and repairing existing neighborhood streets and alleys.

FACT: **YES on U** is Financially Accountable and requires an Independent Taxpayers' Oversight Committee, mandatory financial audits, and annual community reports to ensure funds are spent as promised.

FACT: Out-of-town shoppers help pay these costs. Measure U is NOT applied to food purchased as groceries, or prescription medication.

Longtime Yucca Valley residents, taxpayers and local business all agree that **YES on U** is a responsible plan to ensure local control over local funds, protecting our property values.

Other neighboring communities have passed similar measures to successfully take control and help themselves. Join us in **Voting YES on U.**
