SUBJECT County Counsel Analysis – Yucca Valley Airport District Special Tax
Election To Be Held on July 2, 2013

The Board of Directors of the Yucca Valley Airport District ("District") has called this election to authorize it to impose a special tax to assist the District in meeting the costs of operation and maintenance of the District's facilities. The special tax shall be on all parcels of real property, improved or unimproved, within the District at a rate of \$0.02 per square foot, adjusted annually for inflation. The tax shall begin fiscal year 2013-14, and shall be in addition to any other taxes authorized by law.

If two-thirds or more of the voters voting upon the proposition within the District vote YES, the special tax, not to exceed the maximum amount authorized, and for the purposes stated, will be approved.

If less than two-thirds of the voters voting upon the proposition within the District vote YES, the District will not be authorized to impose the special tax.

This measure will not have any effect on existing law.
