

REBUTTAL TO ARGUMENT AGAINST MEASURE D

Please join us, and the thousands of community leaders, local business owners, and Apple Valley residents that support **YES on Measure D**.

A **YES VOTE ON MEASURE D** will provide:

- **New quality jobs with benefits** available to both part-time and full-time employees once eligible;
- Hundreds of **much-needed new construction jobs**;
- Millions of dollars to our town's tax base that could **help pay for more police, fire, and emergency services** – without raising taxes;
- **Over \$2 million in offsite improvements and developer fees**;
- **More affordable, fresh groceries** for Apple Valley's hard-working families who deserve the best value for their dollar;

And Measure D is consistent with our General Plan and the existing land use designation for the site at Dale Evans Parkway and Thunderbird Road and is **ALREADY ZONED FOR RETAIL USE**.

VOTE YES ON MEASURE D!

Help bring more jobs and new tax revenues to Apple Valley rather than send them to neighboring communities such as Hesperia and Victorville.

Show support for a company that has been a true community partner! Walmart has contributed hundreds of thousands of dollars to numerous organizations and schools in the High Desert such as the Apple Valley Fire Protection District, Victor Valley College Foundation, the Apple Valley Police Activities League and many others.

Help put an end to the outside influences and special interests that have stood in the way of this beautiful, upgraded store from opening in our town.

New jobs. Increased tax revenue. More affordable fresh groceries.

Join us and **VOTE YES ON D!**
