Vote Yes on Measure P - Support Palo Verde College.

Palo Verde College has served the Blythe and Needles communities for over 60 years and has never been more important to our area. Students have turned to Palo Verde College for a high quality, affordable education that prepares them for good paying jobs and the opportunity to transfer to 4-year colleges and universities.

50

Measure P will:

3

- Upgrade classrooms, technology, and labs to better support programs that help OUR local students prepare for high demand jobs and university transfer.
- Expand access to health career courses to train OUR local healthcare professionals.
- Expand veteran services to ensure OUR local returning veterans have access to the services they need to complete their education and enter the workforce.

22

12

24

Our community college students represent the backbone of our local workforce. Measure P will protect and expand needed courses and serve to maintain high quality training programs.

27

All Measure P funds are legally required to be spent to improve OUR local community college. By law, the State cannot take these funds away nor can any money be used for administrator salaries. An independent citizens oversight committee and mandatory annual audits will ensure funds are spent as voters approved.

51

"Palo Verde College is a critical part of our community. It trains our healthcare professionals that serve our aging population and provides affordable higher education and skilled workers that fuel our economy" (Adolfo M. Paglinawan, M.D., Blythe, California).

36

"I aggressively endorse the bond issue for Palo Verde College to increase programs and services in our community" (Edward T. Paget, M.D., Mayor of Needles, California).

24

Join your neighbors, seniors, veterans, civic and business leaders. Vote Yes on Measure P to ensure that our local community college facilities, technology and programs remain strong.
