

## IMPARTIAL ANALYSIS OF MEASURE V

Measure V is submitted to the voters by the City Council of the City of Chino ("City") to authorize the re-zoning of five parcels of land from a commercial use to a residential use.

The Measure provides as follows:

1. The parcels of land described in the Measure will be converted from a commercial use to a residential use. Together, the parcels contain 12.7 acres and are generally located on the west side of Central Avenue and north of Francis Avenue.
2. The Chino City Council will be authorized to re-zone the five parcels, which are depicted in the Diagram attached to the Ordinance, from General Commercial to Residential-RD12, for a maximum of 113 single-family dwelling units.
3. The owner of the land shall reimburse the City of Chino for the full cost to conduct the election for this Measure.

By way of history, you should know that:

- (a) Measure M was a ballot measure adopted by Chino voters on November 8, 1988, prohibiting the Chino City Council from re-zoning non-residential lands for residential uses or increasing the density of residentially zoned lands without voter approval.
- (b) Measure M requires a majority of the voters of the City of Chino to authorize the City Council to re-zone lands from non-residential to residential uses or increase the density of residential lands identified in a ballot measure.

Prepared by Jimmy L. Gutierrez, City Attorney.
