## **I. INTRODUCTION**

This Candidate Filing Guide has been prepared to assist candidates filing for offices in the 2016 Presidential Primary Election. The guide includes valuable information for candidates to use throughout their candidacy, and includes topics such as key dates and timelines, qualifications for office, the candidate filing process, campaign finance laws, campaign rules, and Elections Office services.

While this guide is intended to be as informative as possible, it contains general information only, and is not intended to be used as a substitute for legal counsel. Employees of the San Bernardino County Elections Office are not permitted to answer questions of a legal nature.

### **A. Overview of Filing Guide**

There are six major sections in this guide:

The **Introduction** section contains this overview, an explanation of primaries in California, and an Election Calendar of key dates and timelines.

The **Elective Office Information** section of this guide contains information about the offices up for election in San Bernardino County. This section also includes information regarding annual salaries, eligibility requirements, and incompatible offices.

The **Candidate Filing Process** section contains information regarding the filing fees for each office, the process to reduce the filing fee, the nomination petition process, the forms required to file for office, how to select a ballot designation, and how to submit a candidate statement.

The **Fair Political Practices Commission Filings** section briefly explains the required forms that may need to be filed as part of the candidate filing process. The Fair Political Practices Commission (FPPC) is an independent regulatory agency that enforces campaign finance laws. The San Bernardino County Elections Office is a filing agent for the FPPC, and is responsible for working with the candidates who are required to submit campaign disclosure statements.

The **Campaign Laws and Regulations** section contains important information regarding campaign signs and literature, electioneering, mass mailings, and other important laws and regulations that may be of interest to candidates.

The **Elections Office Services** section lists services provided by the San Bernardino County Elections Office that may be helpful to candidates to run their campaigns.

### **B. Primaries in California**

Primaries in California have changed in recent years and candidates should be aware of those changes. In June of 2010, California voters approved Proposition 14 (The Top Two Open Primary Act). The new amendment made many changes to how primaries are conducted in California for some offices but kept many other aspects of how primaries are conducted for other offices.

### **C. Notice to Candidates Regarding Incompatible Offices**

The Political Reform Act does not prohibit any officeholder from holding multiple public offices or seeking more than one elective office, but there are instances in which holding more than one office is considered incompatible.

There is no single statute that defines incompatibility of offices. However, the common law doctrine of incompatibility of offices prevents an elected official from holding two offices simultaneously if the offices have overlapping and conflicting public duties. Additionally, the courts have defined overlapping and conflicting public duties by establishing that “one individual may not simultaneously hold two public offices where the functions of the offices concerned are inherently inconsistent, as where there are conflicting interests, or where the nature of the duties of the two offices is such as to render it improper due to considerations of public policy for one person to retain both.”

The State of California Attorney General’s Office has issued many opinions of particular compatibility questions. Below are six examples of incompatible offices:

- City Council Member and School District Board Member, where the city and the school district have territory in common
- County Fire Protection District Fire Chief and Member of the Board of Supervisors, where both officers represent the same county
- High School District Trustee and Elementary School District Trustee, where the elementary district geographic boundaries are wholly contained with the geographic boundaries of the high school district
- Water District Director and City Council Member, where the city and water district have territory in common
- Water District Director and School District Trustee, where both districts have territory in common

If you have a question about whether public offices which you hold or seek to hold would be considered incompatible, contact the California State Attorney General’s office at (916) 445-9555 or visit their website, [www.ag.ca.gov](http://www.ag.ca.gov). For further information regarding conflict of interest or incompatibility of offices, visit the Fair Political Practices Commission’s website at [www.fppc.ca.gov](http://www.fppc.ca.gov), or phone toll free at (866) 275-3772.

### **III. CANDIDATE FILING PROCESS**

In order to become a candidate for office, candidates must file various documents and fees with the Elections Office of the Registrar of Voters. For the 2016 Presidential Primary Election, candidates may request candidate filing documents beginning February 16, 2016, and must return the completed candidate filing documents by 5 p.m. on March 11, 2016.

A non-refundable filing fee (see section A) must be paid to the Elections Office before candidate filing documents will be issued for certain offices. To help candidates reduce the amount of their

filing fee, candidates may circulate and submit a *Petition In Lieu of Filing Fee* (see section B below). This petition contains signatures of registered voters within the candidate's district, and each valid signature on the petition will reduce the filing fee.

For certain offices, candidates must collect a designated number of valid signatures on a *Nomination Petition* (see section C) and submit that petition when filing to run for office.

To officially declare themselves a candidate for office, all candidates must file a *Declaration of Candidacy* (see section D). On the *Declaration of Candidacy*, candidates declare which office they are running for, how their name shall appear on the ballot, and whether or not they want a ballot designation to appear on the ballot under their name. If a candidate wants a ballot designation, they must complete a *Ballot Designation Worksheet* (see section E).

Candidates may elect to have a statement of qualifications, also known as a candidate statement, printed in the *Voter Information Guide* which is mailed to voters 32 days prior to each election. Candidate statements provide candidates an opportunity to speak to voters regarding their background, education, qualifications, and platform. If a candidate wants a statement of qualifications printed in the guide, they must indicate this request on the *Candidate Statement Form* (see section F).

## A. Filing Fees

A filing fee is a non-refundable payment that must be paid to the election official. Filing fees vary by office and are typically calculated based on a percentage of the office's annual salary. Not all offices require filing fees; however, if a filing fee is required, then the filing fee must be paid at the time a candidate requests candidate filing documents.

For federal and state offices, the non-refundable filing fee must be paid to the office of the Secretary of State. Candidates submit payments to the Elections Office, and these payments will be forwarded to the state. For all other offices, the non-refundable filing fee is paid to the Elections Office. Payments are accepted in the form of cash, personal check, cashier's check, money order, or credit card.

The filing fee for each office in this election is provided below:

Jurisdiction	Office	Filing Fee
United States of America	United States Senator	\$3,480.00
United States of America	United States Representative	\$1,740.00
State of California	State Senator	\$1,001.13
State of California	Member of the State Assembly	\$1,001.13
County of San Bernardino	County Supervisor	\$1,519.71
County of San Bernardino	Judge of The Superior Court	\$1,890.41

## B. Petition In Lieu of Filing Fee

The *Petition In Lieu of Filing Fee* is a form that contains signatures of registered voters within a particular district. Candidates who are required to pay a filing fee may circulate and submit this petition to help reduce the cost of the filing fee. Each signature is assigned a value, based on the

office, and each valid signature gathered will reduce the filing fee. The amount of the reduction is calculated by multiplying the number of valid signatures submitted times the signature value assigned to that office.

The *Petition In Lieu of Filing Fee* is available for pick-up at the Elections Office beginning January 4, 2016, and completed petitions must be filed no later than 5 p.m. on February 25, 2016.

Valid signatures collected on the *Petition In Lieu of Filing Fee* will also be counted towards the nomination requirement for that office (refer to the “Nomination Petition” section for more information).

The maximum number of signatures allowed to be collected, and the value for each valid signature for each office are listed below:

Jurisdiction	Office	Max. Signatures Allowed	Signature Value
United States of America	United States Senator	10,000	\$0.348
United States of America	United States Representative	3,000	\$0.58
State of California	State Senator	3,000	\$0.33371
State of California	Member of the State Assembly	1,500	\$0.66742
County of San Bernardino	County Supervisor	6,079	\$0.25
County of San Bernardino	Judge of The Superior Court	7,562	\$0.25

### C. Nomination Petition

A *Nomination Petition* is a form that contains signatures of registered voters within a particular district. Some offices have a nomination requirement. For these offices, candidates must collect a certain number of valid signatures on the *Nomination Petition* in order to run for office. The minimum and maximum number of signatures allowed to be collected varies by office. If potential candidates choose to circulate and submit a *Petition in Lieu of Filing Fee*, the number of valid signatures collected on that petition is also applied to the nomination requirement.

*Nomination Petitions* are available for pick-up at the Elections Office beginning February 16, 2016, and completed petitions must be filed no later than 5 p.m. on March 11, 2016. The minimum and maximum number of signatures allowed to be collected for each office is listed below:

Jurisdiction	Office	Min. Signatures	Max. Signatures
United States of America	United States Senator	65	100
United States of America	United States Representative	40	60
State of California	State Senator	40	60
State of California	Member of the State Assembly	40	60
County of San Bernardino	County Supervisor	20	40
County of San Bernardino	Judge of The Superior Court	20	40

## **D. Declaration of Candidacy**

The *Declaration of Candidacy* is a required form that all candidates must file in order to officially become a candidate. On the *Declaration of Candidacy*, candidates declare which office they are running for, how their name shall appear on the ballot, and whether or not they request a ballot designation. If a candidate requests a ballot designation, they must complete a *Ballot Designation Worksheet* (refer to the “Ballot Designation” section for more information).

The *Declaration of Candidacy* will be available at the start of the candidate filing period, which begins on February 16, 2016, and must be filed by 5 p.m., March 11, 2016. Once filed with the Elections Office, the *Declaration of Candidacy* becomes a public record and is available for viewing by the public upon request.

## **E. Ballot Designation**

A ballot designation appears under the candidate’s name on the ballot and describes that candidate’s principal profession, vocation or occupation. Candidates may elect to have a ballot designation appear under their name on the ballot. Those candidates who choose to do so must request a ballot designation on the *Declaration of Candidacy*, and they must also complete the *Ballot Designation Worksheet*.

The *Ballot Designation Worksheet* is a form that candidates use to request a ballot designation and to justify the reason for requesting that designation. There are specific rules regarding selecting a ballot designation, and these rules are outlined in several statutes in both Cal. Admin. Code §20710-20719, and Cal. Elec. Code §13107. The rules regarding selecting a ballot designation are complex, and may be challenging to navigate for some candidates. To assist candidates in this process, the Elections Office has created a *Ballot Designation Worksheet Guide*, and staff will use this guide to assist candidates as they attempt to select the proper ballot designation when filing.

The *Ballot Designation Worksheet* will be available at the start of the candidate filing period, which begins on February 16, 2016, and must be filed along with the *Declaration of Candidacy* by 5 p.m. on March 11, 2016.

## **F. Candidate Statement**

A candidate statement provides candidates an opportunity to speak to voters regarding their background, education, qualifications, and platform. Candidate statements are printed in the *Voter Information Guide*. This guide is mailed to all registered voters approximately one month prior to the election.

All candidates are required to complete and file a *Candidate Statement Form*. On this form, candidates will indicate whether or not they elect to file a candidate statement, and will submit the printed text of the statement if they choose to file one. A *Candidate Statement Form* may be filled out prior to filing by accessing it on the Elections Office website at [www.sbccountyelections.com](http://www.sbccountyelections.com). Alternatively, the form can be filled out at the Elections Office at the time of filing.

Candidates who elect to file a candidate statement are required to pay the estimated costs of including their candidate statement in the *Voter Information Guide* at the time of filing. The actual costs of inclusion will be determined after the election, and participating candidates will either receive a refund or be responsible for paying additional costs at that time. Estimated costs for candidate statements are calculated based on historical printing costs for each office. Refer to the “Estimated Costs for Candidate Statements” section below for this election.

The form and content of each candidate statement is regulated by California Elections Code and by Elections Office policy. The “Candidate Statement Composition” section is provided to candidates as a resource for constructing a candidate statement.

Prior to publication, candidate statements are available for public examination for ten days. The ten day public examination period begins immediately following the filing deadline. During the public examination period, the Elections Office or any voter of the jurisdiction may seek a writ of mandate or an injunction requiring that any or all material in the candidate statement be amended or deleted. Cal. Elec. Code §13313(b).

In addition to seeking a writ of mandate or an injunction, the Elections Office may strike any language not in compliance with California Elections Code or Elections Office policy. For more information regarding California Elections Code or Elections Office policy, refer to the “Candidate Statement Composition - Content” section.

## **1. Estimated Costs for Candidate Statements**

Candidates who elect to have a statement printed in the *Voter Information Guide* are required to pay the estimated costs of including their candidate statement in the *Voter Information Guide* at the time of filing. The actual costs of inclusion will be determined after the election, and participating candidates will either receive a refund or be responsible for paying additional costs at that time.

Estimated costs for candidate statements are calculated by district and are based on voter registration. Payments are accepted in the form of cash, personal check, cashier’s check, money order, or credit card.

For more information on the estimated costs for candidate statements by district for this election please visit the Elections Office website at [www.sbccountyelections.com](http://www.sbccountyelections.com).

## **2. Candidate Statement Composition**

To compose a candidate statement, candidates should be aware of two factors: form and content. The form of a candidate statement refers to the word count, type size, spacing and formatting. The content of a candidate statement refers to the descriptions or expression of the candidate’s background, education, qualifications, endorsements, and platform.

## a. Form

Cal. Elec. Code §13307 dictates that candidate statements shall be a brief description of no more than two-hundred words, or two-hundred and fifty words for state offices, and shall be printed in type of uniform size and darkness, and with uniform spacing.

The Elections Office interprets this to mean that candidate statements shall be typed in upper and lower case letters when appropriate and not all capital letters. Additionally, candidate statements shall be free from non-standard or atypical spacing and shall not contain any *italicized* or **bolded** letters.

It is the policy of the Elections Office that, in order for a candidate statement to be printed in the *Voter Information Guide*, candidate statements must fit inside a half page square that measures 4.75" wide by 3.25" tall, and must be printed in size 8 Arial font. If a candidate does not place an age and/or occupation on the *Candidate Statement Form*, or request use of the approved ballot designation (on *Ballot Designation Worksheet*), it will appear blank when printed.

In computing the word count of a candidate statement, it is important for candidates to keep in mind that only the text of the statement is included in the calculation of the word count. The title of the candidate statement, which includes the candidate's name, age, and occupation, does not affect the word count for a statement. Examples for counting words within a candidate statement are provided below:

Category	Example	Word Count
Acronyms	SBSU, PTA, U.S.M.C., S.B.P.D.	One
Date	01/01/2010, or January 1, 2000	One

## b. Content

### California Elections Code:

Cal. Elec. Code §13307 dictates that candidate statements shall be a brief description that expresses the candidate's education and qualifications, and shall not include party affiliation of the candidate, nor membership or activity in partisan political organizations. Nothing in the candidate's statement shall be deemed to make any such statement or the authors thereof free or

exempt from any civil or criminal action or penalty because of any false, slanderous or libelous statements.

Cal. Elec. Code §13308 requires that statements shall be limited to a recitation of the candidate's own personal background and qualifications. Statements shall not in any way make reference to other candidates for that office or to another candidate's qualifications, character, or activities. The election official shall not cause to be printed or circulated any statement that the election official determines is not so limited, or that includes any reference prohibited by this section.

Elections Office Policy:

It is the policy of the San Bernardino County Elections Office that a candidate's background may include details regarding the candidate's platform. A candidate's platform describes what they stand for and what they intend to do if they are elected.

It is the policy of the San Bernardino County Elections Office that if a candidate statement is determined to not be in compliance with the Elections Code, the Elections Office may strike any language not in compliance, may not print or circulate the statement, or may seek a writ of mandate or an injunction, requiring that the candidate statement be amended or deleted.

It is the policy of the Elections Office that the candidate be fully responsible for ensuring that all spelling, punctuation, and grammar in a candidate statement are correct. The Elections Office is not responsible for proofreading, spelling, punctuation, and grammatical errors. A comprehensive review of the candidate's statement will be done at the time of filing to establish that the statement is acceptable.

It is the policy of the San Bernardino County Elections Office that any named individual or specific organization listed as an endorsement in a candidate statement (see Example A below) must be verified as endorsing the candidate prior to printing in the *Voter Information Guide and Sample Ballot*. Verification of the endorsement must be in the form of a copy of a letter of endorsement, or in a direct communication from the endorser to the Elections Office in the form of an email or facsimile correspondence. All endorsements or verification of endorsements from an individual or organization of a candidate should be submitted no later than five days after the end of the filing period.

Example A: "...I am endorsed by County Supervisor John Doe, Senator Jane Smith and the San Bernardino League of Women Voters."

In Example A, the Elections Office would require an email, facsimile or copy of the letter of endorsement from Supervisor Doe, Senator Smith and the San Bernardino League of Women Voters to allow these endorsements to be printed.

Example B: "...I am endorsed by police, firefighters, nurses and teachers throughout San Bernardino County."

In Example B, the Elections Office would not require verification of the endorsement because the statement does not identify a specific individual or organization.
