

Rebuttal Argument in Favor of Measure F

Opponents are either not aware or don't know of aging local schools that need major infrastructure upgrades, but we do! Our children need safe schools! **Votes YES on F: FIX our Schools!**

HERE ARE THE FACTS OPPONENTS WANT YOU TO IGNORE:

FACT: Local schools need infrastructure upgrades -- Most are over 60 years old. **YES on F FIXES** our schools, removes asbestos, lead paint, and mold from deteriorating classrooms.

FACT: FIXING our local schools takes money—**YES on F** gives our kids safe, clean classrooms, preparing our children for a competitive 21st century economy.

FACT: YES on F provides a **Fair** share of **Funding** to our schools by making our schools eligible for matching **State Funds**. Our schools will receive more money from the State if you vote YES on F!

FACT: YES on F has strict accountability, with Citizens oversight, annual audits, and NO money for Sacramento or administrators salaries.

FACT: YES on F keeps our schools Financially Stable. We have paid off most of the previous bond at cheaper rates because of our good financial planning.

Opponents are either not aware or don't know our local schools' needs but we see it every day! We must remove asbestos and lead paint from our schools, **FIX** leaky roofs and old classrooms, and upgrade school security, keeping our kids safe.

YES on F is not about the Board or the District – it's about our kids.
