

Our opponents are ideologically opposed to bond measures. They're entitled to their opinion, but it doesn't change the specific need for local funding to update and repair our high-quality Alta Loma schools.

Curious about the actual need and projects? A transparent, community designed facilities plan is available here:
www.alsd.k12.ca.us/pages/Alta_Loma_School_District/About_Us/Bond_Measures

FACT: Over 17 years ago, our community supported our elementary and Jr. High schools and passed Measure W to build and modernize some of our schools. Projects were completed on time and under budget.

FACT: The State completely eliminated its historic funding for school repairs and upgrades.

FACT: No other source of funding exists to complete the work our schools require.

FACT: The need is real. Many Alta Loma schools are over 50 years old and no longer meet the needs of students facing an ever-changing, 21st-century world.

FACT: Measure H will increase student security and safety, and update classrooms and educational technology for 21st-century learning.

FACT: Measure H funds can only be used for identified school needs from the project list. No funds can be used for administrators' salaries.

FACT: Independent citizen oversight and annual audits ensure every penny is used for critical repair and upgrade projects.

FACT: All Measure H funds will be controlled locally, stay in our schools and cannot be taken by the State.

Our neighborhood schools are some of the best in the State. Families move here for our schools - which keeps our community and local property values strong.

Join us: Vote Yes on H.
